2. This Affidavit is submitted in connection with an application for arrests warrants for **HERBERT MAYS**, **ANDRE MORTON**, **CRAIG MOORE**, **RUFUS WILLIAMS**, **NATHANIEL MCCOY**, **JOHN PETROVICH**, **GURNSEY FLAGG**, **RONALD DAWSON**, **ANTHONY PRUITT**, **RONIFFE GAINES**, **APRIL BRANSON**, **TRACY WILLIAMS**, **ANDRE PERKINS**, **LINFORD JOHNSON**, **MECCA GRANT**, **SHAMEKE FOWLER**, **JULIUS THIGPEN**, **BRANDON WATTS**, **SAMANTHA BOHLERT** and **TERON HUGGINS** and criminal complaints charging such individuals with conspiracy to distribute cocaine and crack cocaine contrary to Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(A), in violation of Title 21, United States Code, Section 846.

**I. SUMMARY**

3. Beginning in or around November 2018, FBI Newark, Trenton Resident Agency Safe Streets Task Force, along with the Willingboro Township Police Department and other state and local law enforcement agencies, received information from numerous, independent confidential human sources ("CHSs") that **HERBERT MAYS** was operating a criminal enterprise engaged in the distribution of crack cocaine in and around the Burlington County, New Jersey area. The subsequent investigation, including reviews of local police reports, interviews of witnesses and CHSs, extensive analysis of historical telephone call detail records, analysis of data received from pen register and trap and trace devices, physical surveillance, consensually recorded meetings and telephone calls, controlled drug buys, and the execution of search warrants on residences, vehicles, and cellular telephones, has confirmed that **MAYS** directs and coordinates members and associates of his criminal enterprises in the distribution of crack cocaine, as well as in the collection of proceeds from the sale of crack cocaine, through communications over cellular telephones.

4. Beginning on July 2, 2019, court authorized interception of communications was initiated over two cellular telephone numbers: 609-889-4748, used by **MAYS** ("Mays Phone 1") and 609-592-3804, used by Talib **CONWAY**, ("Conway Phone 1"). Beginning on August 29,

2019, court authorized interception of communications was initiated over three additional cellular telephone numbers: 609-817-5134, used by Andre **MORTON** ("Morton Phone 2"), 216-513-8149, used by Andre **MORTON** ("Morton Phone 3"), and 609-346-7542, used by Jerrod **EPPS** ("Epps Phone 1"). These interceptions remain ongoing, and are set to expire on September 28, 2019. Interception of both wire and electronic communication over those cellular telephones revealed communications with, among others, the co-conspirators and others mentioned below.

### **III. PROBABLE CAUSE**

25. Since in or around 2014, various law enforcement groups in the Burlington County area, including the FBI, have received information regarding **MAYS** and other members of the conspiracy running drug trafficking operations in Burlington County.

26. Law enforcement's investigation of the defendants included reviews of local police reports, interviews of witnesses and confidential sources, extensive analysis of historical telephone call detail records, analysis of data received from pen register and trap and trace devices, physical surveillance, consensually recorded meetings and telephone calls, controlled drug buys, and the execution of search warrants on residences, vehicles, and cellular telephones. That evidence has confirmed that defendants **MAYS** and **MORTON** managed the large-scale distribution cocaine and/or crack cocaine, as well as the collection of proceeds from the sale of these narcotics. In carrying out these unlawful activities, **MAYS** and **MORTON** used traditional calls and text messaging, as well as social media platforms and applications, in an effort to thwart electronic surveillance by law enforcement. **MAYS** and **MORTON** used multiple, often changing, coconspirators as associates and couriers who delivered drugs packaged for resale to distributors and dealers and who further participated in the distribution of cocaine and crack cocaine.

27. Multiple confidential sources assisted law enforcement during this investigation, including by conducting controlled purchases of cocaine and crack-cocaine from MAYS and others acting on his behalf. The information and assistance provided during the investigation by the confidential sources has been corroborated through other evidence law enforcement has obtained, including court-authorized wiretaps, physical surveillance, and consensually recorded calls and meetings.

28. In furtherance of the drug-trafficking activities, the co-conspirators agreed to obtain – and did obtain – significant quantities of cocaine and/or crack cocaine, and other controlled substances. Also in furtherance of the drug-trafficking activities, the co-conspirators agreed to distribute – and did distribute – those narcotics, for profit, to other co-conspirators, various dealers, sub-dealers and end users in or around Burlington County and elsewhere.

29. On or about July 2, 2019, law enforcement began the court authorized interception of wire and electronic communications occurring over Mays Phone 1.

30. On July 3, 2019, at approximately 1:05 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 9312, wherein MAYS and Andre MORTON had a conversation. In this conversation, MORTON said, “You know what that was over there?” and MAYS responded, “...I’d say about 160 or something.” MORTON said, “That’s it?” and MAYS responded, “Yeah. That’s it. You took fuckin um, one, two, three, four, five, six, shit. Did you do six?” MORTON responded, “Yeah.” MAYS then said, “Yeah, listen. You took one, and then, I gave, um, we about to do two up for you. That’s three. And then you came back and got three more.” MORTON said, “Alright, alright. I’ll be over. Get about sixty.” Based upon the entirety of this investigation, I believe that MORTON stores his supply of both cocaine and crack cocaine at the Mays Residence. In multiple intercepted communications, including the one described in the within paragraph, MORTON and MAYS conversed about the amount of MORTON’s supply remaining. Here, MAYS confirmed to MORTON that he only had about 160 grams of crack cocaine remaining (“I’d say about 160 or something.”). MORTON then asked MAYS to prepare about 60 grams for him to later pick up. (“I’ll be over. Get about sixty.”).

31. On July 3, 2019, at approximately 2:32 p.m., several incoming text messages were received over Mays Phone 1 from telephone number ending in 7224, a number known to be used by APRIL BRANSON. In three separate text messages BRANSON said, “Do you know how much longer,” “Only cuz I have a few people waiting,” and “I don’t want to miss them like last time.” Based upon numerous intercepted calls, I believe that BRANSON is a cocaine distributor who obtains her supply of cocaine from MAYS. In these intercepted text messages, BRANSON explained that she had customers waiting and she did not want to miss out on selling to them. (“I have a few people waiting,” “I don’t want to miss them like last time.”).

32. On July 4, 2019, at approximately 2:29 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 0339, wherein MAYS had a conversation with Linford JOHNSON. On this call, JOHNSON said, “Yo. What’s up, Unc?” MAYS responded,

"I need 30 man." **JOHNSON** said, "Aight, I got to go somewhere. Can you hurry up right now?" **MAYS** responded, "I'm coming right now." At approximately 2:43 p.m., **MAYS** called **JOHNSON** and said, "Outside." **JOHNSON** responded, "Here I come." Based upon this investigation, I believe that **MAYS** ordered 30 grams of cocaine from **JOHNSON** ("I need 30 man) and then immediately drove to **JOHNSON**'s residence to obtain it ("Outside").

33. On July 5, 2019, at approximately 12:19 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 0948, a number known to be used by **RONIFFE GAINES**. On the call **GAINES** said, "Yo did you ever get that other shit?" **MAYS** responded, "Come on man." **GAINES** then said, "Another seven bitch. Seven and then my little nigga just called he need five." Based upon intercepted communications, I believe that **GAINES** ordered a quantity of cocaine from **MAYS**. ("Seven" and "Five"). At approximately 6:52 p.m., **GAINES** called **MAYS** and said "You got it?" **MAYS** said, "I got it." **GAINES** then told **MAYS** he would be there. On that date, around 9:52 p.m., law enforcement observed **MAYS** meeting with **GAINES** outside of the Mays Residence, via video surveillance, to conduct the narcotics transaction.

34. On July 6, 2019, at approximately 2:17 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 8629, a number known to be associated with **TRACY WILLIAMS**. On the call, **WILLIAMS** said, "If I can get five of them for 50 dollars a piece." **MAYS** responded, "I'm not go below 70 dollars. I been getting 100 dollars all night, that's why I cut you a little slack." **WILLIAMS** said, "So you can't cut me a little more slack?" and **MAYS** responded, "Tracy, I done took 30 off each one of them. I'm tell you right now the best I can do for you I'll take off 5 dollars. It will be 65 dollars." The two later agree to a price of \$325 for five grams. Based upon the investigation, it is believed that **MAYS** and **WILLIAMS** haggled over the price of one gram of cocaine, where **WILLIAMS** wanted to buy five grams of cocaine total. This is confirmed by the later discussion of five grams for \$325. Video surveillance captured **WILLIAMS** driving on the adjacent street the Mays Residence, and at approximately 3:01 a.m., **WILLIAMS** is observed walking up to the back of the Mays Residence.

35. On July 6, 2019, at approximately 1:35 p.m., an outgoing call was placed from Mays Phone 1 to telephone number ending in 0948, wherein **MAYS** had a conversation with **RONIFFE GAINES**. On the call, **GAINES** said, "I know when I move, I move like 1400 a day." **MAYS** said, "What up, so you want seven?" **GAINES** responded, "Yeah, seven." Based upon the investigation, it is believed that **GAINES** informed **MAYS** that he sells \$1400 worth of cocaine in a day ("I move like 1400 a day") and **GAINES** ordered seven grams of cocaine. ("So you want seven?" "Yeah, seven.")

36. On July 6, 2019, at approximately 4:06 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 0339, wherein **MAYS** had a conversation with **Linford JOHNSON**. On this call, **MAYS** said, "Are you ready for this?" **JOHNSON** said, "No, go ahead." **MAYS** said, "I need 5." **JOHNSON** said, "You need 500? You said 500? Aight, I'll hit you back." At approximately 4:09 p.m., **JOHNSON** called **MAYS** and said, "Give me a couple days. Like Tuesday." **MAYS** responded, "Tuesday? Nah, nah, nah. I got to get it today. I'm gonna to call my other man up." **JOHNSON** said, "I can call somebody, but I don't know exactly what the material is. It probably (unintelligible) or better." **MAYS** responded, "Yo, yo.

The material got to be the same fucking (unintelligible).” **JOHNSON** said, “That’s why I asked if he can wait until Tuesday.” **MAYS** said, “No. He can’t wait till Tuesday. He out.” Based upon this conversation and the overall investigation, I believe that **MAYS** ordered 500 grams of cocaine (“I need 5”) from **JOHNSON**, but that **JOHNSON** could not obtain that large amount of cocaine until Tuesday, July 9, 2019.

37. On July 6, 2019, at approximately 4:45 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 8556, wherein **MAYS** and **MCCOY** had a conversation. In this call, **MAYS** said, “I need 4, man. ASAP.” **MCCOY** responded, “Uh, like, earlier tomorrow.” Based upon the intercepted communications, I believe that **MAYS** reached out to **MCCOY** for this large order after Linford **JOHNSON** was unable to provide the supply in a timely manner. Later that day, at approximately 6:28 p.m., **MCCOY** called **MAYS** and said, “Yo, bro. Just touching base with you. Everything looking good with tomorrow.” The next day, July 7, 2019, at approximately 1:59 p.m., **MCCOY** called **MAYS** and **MAYS** said, “Yo, where you at?” and **MCCOY** responded, “I’m on my way over. That’s why I tried to call you earlier.” **MAYS** said, “Oh, so you around my way?” **MCCOY** said, “Nah, man. You gonna be there? Is you ready? I’mma be on my way.” At approximately 3:10 p.m., **MCCOY** called **MAYS** and said, “Yo, I’m outside.” Video surveillance confirmed that a silver Audi, driven by **MCCOY**, backed into **MAYS**’s driveway at approximately 3:10 p.m. Surveillance shows **MAYS** approach the Audi and enter the passenger side of the vehicle. Approximately two minutes later, **MAYS** is seen exiting the vehicle and re-entering his residence. Based upon my training and experience, and the within investigation, I believe that **MAYS** ordered 400 grams of cocaine from **MCCOY** (“I need 4, man. ASAP), but **MCCOY** informed **MAYS** that he needed some time to acquire it (“earlier tomorrow.”) On July 7, 2019, I believe that **MCCOY** did in fact obtain the 400 grams for **MAYS** and that he dropped it off at approximately 3:10 p.m.

38. On July 8, 2019, at approximately 2:57 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 9312, wherein **MAYS** had a conversation with **ANDRE MORTON**. On the call, **MAYS** said, “You got about 30 grams.” **MORTON** said, “Alright. Just make sure everything alright for me...everything is in order...the money and everything is ok.” A minute later, law enforcement observed **MORTON** arrive at **MAYS**’ residence. Based on the investigation, I believe that **MAYS** was holding an amount of cocaine, which belonged to **MORTON** (“You got about 30 grams”). Based upon intercepted communications and other information obtained in this investigation, I believe that **MORTON** inquired as to his supply, and indicated that he was going to come by and pick up his cocaine and/or money. (“Make sure everything alright for me, everything is in order, the money and everything”).

39. On July 9, 2019, at approximately 5:28 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7688, wherein **MAYS** had a conversation with **Craig MOORE**. On this call, **MOORE** said, “I’m gonna do a hundred and fifty of them. What’s the number on that?” **MAYS** responded, “It’s, um, six thousand.” **MOORE** said, “Alright, that’s what we gonna do.” **MAYS** said, “When?” **MOORE** responded, “It’s probably gonna be next week, cause I gotta get my load to get up there. I’m working on it right now. I’ll call you two days in advance.” Based upon the overall investigation, I believe that **MOORE** ordered 150 grams of crack cocaine from **MAYS** (“I’m gonna do a hundred and fifty of them”) and **MAYS** told him it would cost \$6,000 (“Six thousand”). Further, I know that **MOORE** is a commercial

truck driver, often driving through the Burlington County area. Accordingly, I believe that he informed **MAYS** he would likely be in town the following week while driving the truck (“I gotta get my load to get up there”).

40. On July 9, 2019, at approximately 10:27 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 1610, wherein **MAYS** has a conversation with Mecca “Mecca” **GRANT**. On this call **GRANT** said, “Yo Unc, listen. I need you to hook me up with a 50, like, but I need it like, to be like a 60. Nah, make it, make it 55 and maybe a 60.” **MAYS** said, “I don’t know what the fuck you talking about.” **GRANT** said, “Unc, can you do um, can you do two 30s?” **MAYS** said, “You got sixty dollars?” **GRANT** said, “57 man. I’ll bring more back to you. Please?” **GRANT** also said, “57. It’s just me and Vern. I need a 20, 50 tell him, what the fuck man, 57.” **GRANT** said, “Unc, listen. You can bring it to me at Vern’s or can we come get?” **MAYS** said, “You got to come get it.” Based upon this ongoing investigation, I believe **GRANT** to often pick up smaller amounts of crack cocaine for herself, and she often pools her money with other individuals to buy crack cocaine as a group (“It’s just me and Vern.”). **GRANT** also obtains crack cocaine on consignment, purchasing crack cocaine from **MAYS**, but owing him an amount of money in the future to clear the full debt (“I’ll bring more back to you.”).

41. On July 11, 2019, at approximately 1:33 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 0019, wherein **MAYS** had a conversation with John **PETROVICH**. On this call, **PETROVICH** said, “Yo, listen. I need a fifty, I need a twenty and I need change for a hundred. Alright?” **MAYS** responded, “Alright. Yeah. Yes.” Based upon this investigation, I believe that **PETROVICH** ordered \$50 worth of crack cocaine (“I need a fifty”) and \$20 worth of crack cocaine (“I need a twenty”), and that he intended to pay with a \$100 bill. (“Change for a hundred”). **MAYS** agreed to sell it to him.

42. On July 12, 2019, at approximately 10:41 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 2256, wherein **MAYS** had a conversation with Samantha **BOHLERT**. Put it in the mailbox if you want to cause it’s gonna be a little.” Based upon this investigation, I believe that **BOHLERT** ordered a quantity of crack cocaine from **MAYS** (“can you do a forty for me? Cash”) and asked for **MAYS** to just leave it in the mailbox for her to pick up (“Put it in the mailbox”). Law enforcement surveillance has observed **MAYS** leave narcotics inside his car and/or his mailbox for narcotics customers to pick up. Indeed, at approximately 11:11 a.m., law enforcement observed **BOHLERT** arrive at **MAYS**’ residence to retrieve the narcotics from the mailbox.

43. On July 12, 2019, at approximately 12:00 p.m., an outgoing call was placed on Mays Phone 1 to telephone number ending in 8556, a number known to be used by Nathaniel **MCCOY**. In this conversation, **MAYS** said, “I had 2,150 of it for the last, for the last two days.” **MCCOY** said, “Two days man was like two days ago dude.” **MAYS** responded, “Ok, I’m saying. I had 2,150 of it. I called you a couple time but anyway. I just got a call from (unintelligible) to stop by here. He said about another hour and a half to pick up 200. So that’ll be the whole, you know, the whole thing.” Based upon the investigation, I believe that **MAYS** previously received an amount of cocaine from **MCCOY** and he still owed **MCCOY** payment

for the cocaine. **MAYS** informed **MCCOY** that he had partial payment of \$2,150 ("2,150"), but after he sold the remaining amount of cocaine ("200"), he would have the entire amount to repay **MCCOY**.

44. On July 12, 2019, at approximately 7:33 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 9312, wherein **MAYS** and **MORTON** had a conversation. In this call, **MORTON** said, "I need a huge favor. I need you to serve Chuck, Chuckie Jackson, from Beverly. I need you to do me that favor, or I'm going to lose him. So I need you to do me that favor." **MAYS** responded, "Johnny's over here, man. So I'll tell Johnny to serve him." **MORTON** said, "Send Johnny to Boo's house right now." **MAYS** said, "So if Johnny goes to Boo house, Boo's gonna give it to Johnny?" **MORTON** said, "Yeah. Johnny's gonna give the money back to you...Tell him there a t-shirt in it for him." Based upon this investigation, as well as my training and experience, I believe that **MORTON** asked **MAYS** to deliver narcotics to a customer, "Chuckie Jackson." **MORTON** made clear that if he didn't sell him the drugs, **MORTON** would lose him as a customer. **MAYS** offered that John **PETROVICH** could make the sale for him ("I'll tell Johnny to serve him."). **MORTON** then informed **MAYS** that **PETROVICH** was to go to Ronald **DAWSON**'s house, the Edgewater stash house, to pick up the narcotics. I know that "Boo" is a nickname used by Ronald **DAWSON**. **MORTON** also told **MAYS** that he would give Johnny a quantity of narcotics in exchange for making the sale on his behalf ("There's a t-shirt in it for him."). I know that a "t-shirt" is slang for a quantity of cocaine.

45. On July 14, 2019, at approximately 6:23 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7688, from a male referred to as "Forty," and later identified as Craig **MOORE**. In this conversation, **MOORE** and **MAYS** discussed a future narcotics transaction. **MOORE** said, "I'm going to be there Wednesday." **MAYS** responded, "Oh, you're going to be here Wednesday now? So what you talking then?" **MOORE** said, "A hundred and fifty. Six grand." **MAYS** said, "You want one-five-oh?" **MOORE** responded, "Yes." **MAYS** said, "I'll start working on that for you tomorrow." **MOORE** said, "Yeah. So you can have it Wednesday and then you meet me there because you know what we gotta do." **MAYS** said, "Yeah, yeah, yeah. So it'll be nice and done up and nice and dry." Based upon this investigation, I believe that **MOORE** was ordering a quantity of crack cocaine from **MAYS** worth \$6,000. ("A hundred and fifty," "six grand"). Further, I believe that **MAYS** intended to provide this cocaine in crack cocaine form ("It'll be nice and done up and nice and dry").

46. On July 15, 2019, at approximately 2:31 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 2953, wherein **MAYS** had a conversation with Rufus **WILLIAMS**. In this conversation **WILLIAMS** said, "I'm trying to see if I can find my baby, my number one apprentice, to see if my granite can get tightened up. 'Cause he's, 'cause these cats I been rocking with man, I don't know what is going to happen man, you talking about some basement." **MAYS** said, "Really?" and **WILLIAMS** responded, "Hell yeah. I said, 'Let me shoot my shot with your people.'" Based upon other intercepted calls, as well as additional evidence gathered in this investigation, I believe that **WILLIAMS** told **MAYS** that he wants **MAYS** to provide the crack cocaine for him in the future. I further believe that "granite" is slang for crack cocaine, and that **WILLIAMS** had been working with other individuals to provide his crack ("these cats I been rocking with"), but wanted to come back to **MAYS** and his source(s) of supply instead ("let me shoot my shot with your people").

47. On July 15, 2019, at approximately 5:30 p.m., an outgoing call was made on Mays Phone 1 to **MORTON** 9312 Facility, wherein **MAYS** said to **MORTON**, "499. No, what you wanna drop?" **MORTON** said, "Just do 50." **MAYS** said, "Alright." **MAYS** called **MORTON** to inform him that he had 499 grams of cocaine remaining of his supply, and further asked **MORTON** how much he should cook up into crack cocaine for him. ("What you wanna drop"). I know that the term "drop" is slang and refers to the process of cooking powder cocaine into crack cocaine. **MORTON** responded that **MAYS** should cook 50 grams for him ("Just do 50").

48. On July 15, 2019, at approximately 8:48 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7224, wherein **MAYS** had a conversation with April **BRANSON**. In this call, **BRANSON** asked **MAYS** repeatedly what time he would be home. When he asked why, **BRANSON** said, "You know why. Cause I'm trying to get something." **BRANSON** then said, "What I'm saying to you is, I have to go to her, is all I'm saying." **MAYS** said, "OK and I'm saying no, he ain't following you." **BRANSON** said, "Why you can't do it?" **MAYS** said "Cause I'm not doing that." **BRANSON** said, "Why, why you acting all funny now? Like, what's your problem?" **MAYS** said, "I don't know why you think I'm acting funny cause I said I'm not following you nowhere. Tell the girl bring you the money." Based upon my training and experience and the within investigation, I believe that **BRANSON** tried to arrange a time to meet with **MAYS** to obtain crack cocaine. ("I'm trying to get something."). Further, **BRANSON** tried to get **MAYS** to agree to give her the crack cocaine up front without paying for it. **BRANSON** tried to convince **MAYS** to follow her to her customer so that she could give **MAYS** the money after she made the sale. **MAYS** refused. ("I'm not following you nowhere. Tell the girl bring you the money.").

49. On July 16, 2019, at approximately 5:06 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 0339, wherein **MAYS** had a conversation with Linford **JOHNSON**. I got half of it left, but I just wanna make sure cause my people called me said that they gonna be here in the morning by 11:30." **JOHNSON** responded, "Unc. You need to wrap that thing up. I said you need to wrap that thing up, brotha." **MAYS** said, "I'm, what? God damn, I'm trying to." **JOHNSON** then said, "Because it's gonna be hard for me to go and do what I gotta do if I ain't wrapped up." **MAYS** then said, "Well, I got, I got like, I think like, almost 10 left. You know?" and **JOHNSON** responded, "Alright. Keep working man. Call me." I believe based upon this investigation that **MAYS** was explaining to **JOHNSON** that he sold about half of **JOHNSON**'s narcotics, but had other people coming in the morning for the rest of it. ("I got half of it left" "my people called me said that they gonna be here in the morning by 11:30"). **MAYS** further responded that he had a specific quantity of narcotics left ("almost 10 left"). Based upon this investigation, I believe **JOHNSON** indicated that he could not provide more cocaine to **MAYS** unless **MAYS** had paid for the previous supply in full ("wrap that thing up", it's gonna be hard for me to go and do what I gotta do if I ain't wrapped it up.").

50. On July 16, 2019, at approximately 8:46 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 4867, wherein **MAYS** had a conversation with Andre **PERKINS**. On this call, **PERKINS** said, "Yo, I need 10." **MAYS** said "How you

supposed to get it?" **PERKINS** said, "I'm about to call him." At 8:59 p.m., **PERKINS** called **MAYS** back and said, "He said he want all, all, um, al um, all rock." **MAYS** said, "Who?" **PERKINS** responded, "The people who I'm supposed to give this to." Based upon this investigation, I believe that **PERKINS** ordered 10 grams of crack cocaine ("I need 10," "all rock") that he needed to distribute to other individuals ("the people who I'm supposed to give this to").

51. On July 17, 2019, at approximately 10:41 a.m., an outgoing call was placed from Mays Phone 1 to telephone number ending in 7688, wherein **MAYS** had a conversation with Craig **MOORE**. In this call, **MOORE** said, "Where you at? I'm in front of the store." **MAYS** then responded, "I didn't know you were gonna be here so early man." **MAYS** later said, "I'm dropping it right now." I believe that conversation related back to the conversation from Sunday, July 14, 2019, wherein **MOORE** ordered a quantity of cocaine worth \$6,000. Based upon this conversation and prior intercepted communications that law enforcement has reviewed, I believe that **MOORE** was at the meeting spot ("I'm in front of the store") and that **MAYS** said he was cooking the crack cocaine for him at that time ("I'm dropping it right now"). Based upon my training and experience and information obtained in this investigation, I know that the term "dropping" means cooking powder cocaine into crack cocaine.

52. Later that day, on July 17, 2019, at approximately 11:37 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7688, wherein **MAYS** had a conversation with Craig **MOORE**. **MOORE** said, "Come through the gate and make that first right. I'm like the fifth truck in the front row." **MAYS** later said, "So are you going to be parked on the right? The left? Straight ahead?" **MOORE** responded, "Really, when you come through the gate, you make that first right and I'm right there." Based on evidence obtained in this investigation, I believe that **MOORE** and **MAYS** were confirming exactly where **MAYS** was going to meet **MOORE** to complete the preplanned narcotics transaction. On that date, in anticipation for the prearranged narcotics transaction, law enforcement conducted physical surveillance at a truck stop located in Bordentown, New Jersey. At approximately 11:47 a.m., law enforcement observed **MAYS** arrive in his red Kia Forte and park near a white freightliner tractor-trailer. When **MAYS** pulled up alongside of the tractor-trailer, **MOORE** approached and engaged in a brief conversation with **MAYS** and enters **MAYS**'s vehicle. The two departed the location but returned a short time later. Upon returning to the location, **MOORE** was observed exiting **MAYS**'s car and reentering the tractor trailer. **MOORE** was then observed refueling and departing from the location. At that time, law enforcement conducted an investigative motor vehicle stop to ascertain **MOORE**'s identity. As a result of this motor vehicle stop, law enforcement confirmed that Craig **MOORE** was the driver of this truck. Further, based upon the intercepted communications and the observations of law enforcement, I believe that **MOORE** and **MAYS** completed the planned narcotics transaction after they left the truck stop, but before they returned.

53. On July 18, 2019, at approximately 12:52 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 8629, wherein **MAYS** had a conversation with Tracy **WILLIAMS**. On this call, **WILLIAMS** said, "Can you put together a 40 for me? I'll be at your house in about eight minutes." **MAYS** said, "Alright." I believe that **WILLIAMS**

ordered a quantity of crack cocaine from **MAYS** ("40") and that **WILLIAMS** was going to pick it up from **MAYS**'s house.

54. On July 18, 2019, at approximately 1:56 a.m., an incoming call was received over telephone number ending in 7696, wherein **MAYS** had a conversation with Shameke **FOWLER**. This is what I need you to do, alright. Two of em, can you make like, uh, two can you make .7 or .8? Yeah, like two .7s, you know what I mean? Like, how you do it, so I can get rid of that and the extra joints you could put in the separate one, you feel me?" **MAYS** said, "So, so, so you want two .7s? And then one .6?" **FOWLER** said, "Yes." **MAYS** said, "Uh, extra work, that'll be an extra five dollars." **FOWLER** said, "Come on, Unc. Damn, like, I'm trying to work, like we trying to work together here." Based upon this conversation, I believe that **FOWLER** ordered three grams of crack cocaine, and had special request for how the crack cocaine was bagged up. I believe that the request to bag the crack cocaine in this manner ("two .7s" "one .6") was an effort to make it easier to redistribute to others. This is confirmed by **FOWLER**'s comment of, "So I can get rid of that."

55. On July 19, 2019, at approximately 5:46 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 3206, wherein **MAYS** had a conversation with Gurnsey **FLAGG**. What you saying?" **MAYS** responded, "I'm talking about Fat Boy shit." **FLAGG** asked, "Is it aight?" and **MAYS** said, "It's so-so. It gots a slight pinch to it." Based upon my training and experience, as well as this investigation, I believe that **FLAGG** asked **MAYS**'s about the quality of his current supply of cocaine ("Any changes" "Is it aight?"). **MAYS** indicated that he only had the crack cocaine made with Andre **MORTON**'s supply ("Fat Boy shit.").

56. On July 19, 2019, at approximately 5:30 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 0948, wherein **MAYS** had a conversation with Roniffe **GAINES**. Um, fucking Moo called me and said it wasn't that good. He texting me back like, 'Why you give me that trash? It was different.' He said, 'Why you switch it up?' A couple people said it was getting by. They couldn't tell the difference." **MAYS** responded, "Aight." **GAINES** said, "Why, that's all you got? That's the only flavor out?" **MAYS** said, "For right now, yeah." Based upon my training and experience, as well as this investigation, I believe that **GAINES** informed **MAYS** that some customers did not like the crack cocaine that **MAYS** had cooked ("some say it's garbage" "she said it caked up"). **GAINES** then asked if **MAYS** had any other crack cocaine to offer ("that's the only flavor out.").

57. On July 19, 2019, at approximately 8:24 p.m., an incoming call was received over Mays Phone 1 from telephone number 215-987-8556, wherein **MAYS** had a conversation with

Monday. Three. Ok?" **MCCOY** responded, "Monday? And **MAYS** said, "Three on Monday. Not Monday night, but Monday. Ok?" **MCCOY** responded, "Ok." On July 21, 2019, at approximately 9:23 p.m., **MCCOY** called **MAYS** and said, "What's up dud? What the name for tomorrow?" **MAYS** said, "Yeah. Three, three, three." **MCCOY** said, "Yeah, that (unintelligible). Still making sure everything still go." **MAYS** said, "Yup." The next day, on July 22, 2019, at approximately 2:44 p.m., **MAYS** called **MCCOY** and said, "Man, what's up?" and **MCCOY** responded, "I'll actually, um, I'll be ready for you in a few." At approximately 6:28 p.m., **MCCOY** again called **MAYS** and said, "Yo I'm pulling up front dude." **MAYS** then told **MCCOY** to pull into the driveway. Based upon this investigation, I believe that on Friday, July 19, 2019, **MAYS** ordered 300 grams of cocaine from **MCCOY**, and asked that it be ready on Monday, July 22, 2019. ("Three." "Three on Monday." "Yeah. Three, three, three."). On July 22, 2019, I believe that **MCCOY** did, in fact, deliver the 300 grams of cocaine to **MAYS**. ("I'll be ready for you in a few." "I'm pulling up front dude."). Video surveillance confirmed that **MCCOY** arrived at the Mays Residence on that date.

Yeah, I got about 11 more I sold last night." **MORTON** then said, "Everyone...you the only one in there?" **MAYS** responded, "Uh, in about ten minutes." **MORTON** then said, "I'm about to stop over." On July 21, 2019 at approximately 4:57 p.m., an incoming text message was received over Mays Phone 1 from **MORTON** which read, "I'm omw now." Based upon my training and experience, as well as the within investigation, I believe that **MORTON** and **MAYS** were discussing a quantity of cocaine that **MAYS** had given to **MORTON** ("28") as well as additional quantities of cocaine that **MAYS** had sold ("five here, six here, five here"). Further, I believe that **MORTON** asked **MAYS** if he was alone, so that **MORTON** could stop by to engage in narcotics activity ("you the only one in there"). Video surveillance confirmed that **MORTON** did in fact then go to **MAYS**'s house, after he texted **MAYS** that he was on his way ("I'm omw now"). I don't know." **GAINES** said, "I'm going by what the fuck the streets telling me, goddamn it. I don't smoke cocaine, bitch." At this time, **GAINES** was on his way to **MAYS**'s residence to obtain more crack cocaine. **MAYS** said, "Better have the goddamn money ready in your hand. I ain't playing." **GAINES** said, "Well then, I got what, 140, right?" **MAYS** responded, "No, you gotta give me 200, Nief." **GAINES** said, "Why I gotta give you 200, nigga? I just told you." **MAYS** said, "135 and 65, Nief." **GAINES** said, "Nigga, is you paying the nigga now?" **MAYS** said, "Yeah, I'm paying the nigga right now." **GAINES** said, "So then shut the fuck up." **MAYS** said, "That motherfuckers up my ass." Based upon this investigation, I know that **GAINES** owed **MAYS** \$65 from a previous narcotics transaction and that **MAYS** has attempted to obtain that money on multiple occasions.

As is made clear in this conversation, **MAYS** needed the money so that he can repay his supplier (“Is you paying the nigga right now,” and “that motherfuckers up my ass.”)

60. On July 26, 2019, at approximately 5:27 p.m., an incoming call was received over Mays Phone 1 from telephone ending in 9312, where Andre **MORTON** requested, “Ten of them girls. Man, I’m don’t fucking with that stupid bitch.” **MORTON** said, “Who?” and **MAYS** responded, “Brandon wife, man.” **MORTON** said, “What happened?” and **MAYS** responded, “Because, man. She came by here and parked right in front of the lady’s house. The lady I told you that be asking Johnny and she had two cars with her. Following her.” **MORTON** agreed, “You got to stop fucking with her.” Based upon the ongoing investigation, I believe that **MORTON** ordered a quantity of crack cocaine (“ten of em” and “all solid”). Also in this conversation, **MAYS** complained about April **BRANSON** (“Brandon wife”). I know that April **BRANSON** is in a relationship with Brandon Rothwell. **MAYS** complained that **BRANSON** parked in front of a neighbor’s house who had already inquired about John **PETROVICH** (“The lady that be asking Johnny”). I believe that **MAYS** expressed frustration with **BRANSON** parking near his house, as it was drawing attention to his house from his neighbors.

61. On July 26, 2019, at approximately 3:39 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 7224, wherein **MAYS** had a conversation with April **BRANSON**. Can I get it?” **MAYS** said, “Can you purchase it?” **BRANSON** said, “Yes.” **MAYS** responded, “I don’t see why not.” At approximately 5:16 p.m., **MAYS** called **BRANSON** and told her to come in the front door.

On this text, **MAYS** said, “The first is Thursday so you going to pay me my money all of it right” and **BOHLERT** responded, “Your ears must have been ringing. Yes pay you in full.” Additionally, at approximately 10:52 P.M., an outgoing text message was sent from **MAYS** Phone 1 to telephone number 609-346-0948, a telephone number known to be used by Roniffe **GAINES**. In this text, **MAYS** said, “Can I stop by and get my money please.” Based upon the entirety of the investigation, I know that **MAYS** often provides narcotics to both **BOHLERT** and **GAINES**, and permits them to provide partial payment up front and owe him the remainder. Here, I believe that **MAYS** was attempting to collect the money he is owed by **BOHLERT** and **GAINES** for prior drug transactions.

63. On July 28, 2019, at approximately 9:34 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7696, wherein **MAYS** and Shameke **FOWLER** had a conversation. **FOWLER** said, “Unc, I need a favor. I need you, can you, can you do half and half for me this one time?” **MAYS** said, “Boy, you be coming at me like...” **FOWLER** said, “I mean shit, like, I’ve got me, time come correct like most of the time, you know what I mean?” **MAYS** said, “...you come correct, talking that half and half shit.” **FOWLER** said, “the only reason I say that is because I ain’t got, I ain’t got enough to do a whole joint, and then these

people not trying, they not, they only got like a set amount of bread, and I'm trying to maneuver, like you feel me?" **MAYS** said, "I'll call you in a minute man." **MAYS** and **FOWLER** had additional conversations about the time and place to conduct the crack cocaine transaction. At approximately 10:36 p.m., **FOWLER** called **MAYS** and told him he was standing at the agreed upon location. **MAYS** said, "Ok, listen. Just come down the street. Have the dude in your van pass off to Johnny and keep going." Based upon this investigation, I believe that **FOWLER** ordered a quantity of crack cocaine, but asked that he could pay for half at the time of the transaction, and bring him the other half of the payment at a later date ("can you do half and half for me this one time?") **FOWLER** explained to **MAYS** that he needed to do this because the individuals he was distributing to only had a certain amount of money on them, and **FOWLER** wanted to complete the deal. ("these people not trying, they not, they only got a like a set amount of break and I'm trying to maneuver."). Additionally, at the time that **FOWLER** and **MAYS** completed the transaction, **MAYS** sent John **PETROVICH** to make the physical exchange of drugs for money. ("Have the dude in your van pass it off to Johnny").

64. On July 29, 2019, at approximately 9:41 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 3206 wherein **MAYS** and Gurnsey **FLAGG** had a conversation. On this call, **MAYS** said, "I was getting ready to call you, tell you I need that money because Fat Boy supposed to be stopping by and getting it." **FLAGG** said, "Well, give me, I need a gram hard. You got one hard?" **MAYS** responded, "I ain't got nothing hard." **FLAGG** said, "Can you make it?" **MAYS** said, "Are you gonna pay me for everything now?" **FLAGG** said, "No, no. I'm paying you for what I owe you. Well, motherfucker, then I'll go out and sell that thing and come back mother...boy, you better leave me the fuck alone. I'm selling all the goddamn shit now. Who the fuck out think is selling it?" **MAYS** said, "Listen, that's what scares me Smitty, because you basically buying it all and I ain't make nothing off it." Based upon this investigation, I know that **MAYS** often obtains cocaine from Andre **MORTON** ("Fat Boy") on consignment, where **MORTON** gives the cocaine to **MAYS** up front, and comes back to collect payment at a later date, after **MAYS** has sold the cocaine. ("Fat Boy supposed to be stopping by and getting it"). In this conversation, **MAYS** was collecting the money that **FLAGG** owed him for cocaine, so that **MAYS** would have the full payment to return to **MORTON**. Additionally, **FLAGG** confirmed that he was selling cocaine ("I'm selling all the goddamn shit now").

65. On July 31, 2019, at approximately 9:33 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 2823, wherein **MAYS** and Ronnie **DAWSON** had a conversation. In this conversation, **MAYS** said, "Do you got what somebody want?" **DAWSON** said, "Yeah." **MAYS** responded, "I ain't got shit from you in a long time." **DAWSON** said, "Yeah, it's a small world man." **MAYS** said, "Where you at, home?" **DAWSON** said, "Nah. I'm in Burlington right now. I'm gonna have to go home and grab it for you. I don't got it with me, yo." **MAYS** said, "Five, six, probably about like seven." **DAWSON** said, "Alright. I'm gonna grab it, right? You hear me? Where you want to meet me at?" **MAYS** said, "Shit. I was gonna come to your house." At approximately 9:40 p.m., **DAWSON** called **MAYS** back and said, "You didn't tell me. Done or undone?" **MAYS** said, "If you got it undone, if you got it solid, give it to me." **DAWSON** said, "You side if I got it done and its official give it to you?" **MAYS** responded, "If it's solid, you know what I mean? I don't want no shake shit." **DAWSON** responded "Alright." Based upon the intercepted communications and the overall

investigation, I believe that **MAYS** ordered a quantity of crack cocaine from **DAWSON**, either five grams, six grams or seven grams (five, six, probably about like seven). After agreeing to provide the crack cocaine, **DAWSON** called **MAYS** back to clarify if he wanted crack cocaine or powder cocaine (“done or undone?”). I believe that **MAYS** ultimately asked for crack cocaine, so long as it was of high quality. (“If it’s solid” “I don’t want no shake shit”).

66. On August 2, 2019, at approximately 11:36 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 2823, wherein **MAYS** and Ronnie **DAWSON** had a conversation. On this call, **MAYS** said, “Yo, what you got? The same shit?” **DAWSON** said, “Yeah, why? You ain’t like it?” **MAYS** responded, “Fuck no. Motherfuckers I sold it too ain’t like it either.” **DAWSON** said, “Damn, crazy. That’s crazy, yo.” **MAYS** said, “Yeah, well that’s the way it is baby.” **DAWSON** responded, “That’s just the way it is. You can’t please everybody.” Based upon the investigation, I believe that **MAYS** informed **DAWSON** that the crack cocaine he obtained from him on July 31, 2019 was of poor quality. **MAYS** confirmed that he then sold that crack cocaine to other customers who also did not like it. (“Motherfuckers I sold it too ain’t like it either.”)

67. On August 4, 2019, at approximately 5:09 p.m., an incoming call was received over Mays Phone 1 from Morton Phone 2. On this call, **MORTON** said, “You gotta do me a favor.” **MAYS** appeared to know what **MORTON** was referring to and said, “He just called me man, cause he got to go to work at 6 o’clock. He told me to have it in the morning.” **MORTON** said, “Alright. This is what I need you to do. I need you to go to Boo house and get it. Whenever you get a chance.” **MAYS** agreed and said, “Yeah, alright, man. Alright.” Based upon this investigation, and previous intercepted communications, I believe that **MORTON** requested **MAYS** to pick up a quantity of narcotics from “Boo’s” house. I know that “Boo” is a nickname for Ronnie **DAWSON**. **MORTON** has previously asked **MAYS** to assist in picking up narcotics from **DAWSON**. Video surveillance confirmed that **MAYS** arrived at **DAWSON**’s residence, the Edgewater Park stash house, at approximately 6:42 p.m.

68. On August 4, 2019, at approximately 9:53 p.m., an outgoing call was made from Mays Phone 1 to telephone number ending in 9312, wherein **MAYS** had a conversation with Andre **MORTON**. **MAYS** and **MORTON** discussed meeting in the morning. **MORTON** stated he “need 38” and **MAYS** acknowledges and stated that he owed **MORTON** “a few dollars.” **MORTON** responded affirmatively and stated that he needed **MAYS** to “clear that tab too.” **MAYS** said, “I’m gonna do that this week. Probably by like Wednesday.” Based upon this investigation, **MORTON** ordered a quantity of crack-cocaine from **MAYS** (“need 38”) and requested that **MAYS** pay him the money that he owes to **MORTON** (“clear that tab too”).

69. On August 7, 2019, at approximately 2:29 p.m., an outgoing call was made from Mays Phone 1 to telephone number ending in 9312, wherein **MAYS** had a conversation with Andre **MORTON**. On this call, **MORTON** asked **MAYS**, “...I need to know how much money you got over there me...?” and **MAYS** said, “I can tell u that right now....Smitty left me um...” **MORTON** further stated “Supposed to be 11...” and **MAYS** said, “He gave you like, got like 1030, I mean like 1080, or uh 1070, one of those two.” **MORTON** later replied, “Man I’ll be, I head over there, I’ll be over there in like 45 minutes. It don’t even matter.” Based upon this investigation, it is believed that the conversation revolved around money that **MAYS** owed

**MORTON** in drug distribution proceeds (“...I need to know how much money you got over there me...?”) Through this investigation, it is known that Smitty” is a nickname for Gurnsey **FLAGG**, an associate of **MORTON** and one of **MAYS**’s frequent narcotics customers. Video surveillance show **MORTON** arrive at **DAWSON**’s residence, the Edgewater Stash house, at approximately 3:15 p.m. (“I’ll be over there in 45 minutes”) and then arrive at **MAYS**’s house at approximately 4:30 p.m.

70. On August 8, 2019, at approximately 4:47 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7688, wherein **MAYS** and Craig **MOORE** had a conversation. On this call, **MOORE** said, “I’ll be there tomorrow. Have my shit ready.” **MAYS** responded, “Tomorrow?” **MOORE** said, “Yeah, I’m going to drive up and turn back around and come back home.” **MAYS** responded, “Oh. Oh, so you, the 125?” **MOORE** said, “Yes sir.” **MAYS** said, “Alright buddy.” **MOORE** responded, “You going to have it ready for me, right?” **MAYS** said, “Yeah, yeah.” Based upon this and prior communications, I believe that **MOORE** called **MAYS** and ordered 125 grams of cocaine, the same order he previously placed on July 14, 2019 and completed on July 17, 2019.

71. On August 8, 2019, at approximately 7:44 p.m., an incoming call was received over Mays Phone 1 from Nathaniel **MCCOY**. On this call, **MAYS** said, “I need 4 ASAP.” **MCCOY** responded, “Everything there?” **MAYS** said, “What kind of goddamn question is that?” **MCCOY** said, “Cause it’s always, you know...” **MAYS** said, “No, no, listen. All you got to do is do like you did. Do like we do. Bring it. I go, bam, be right back.” Based upon the entirety of the investigation, I believe that **MAYS** ordered 400 grams of cocaine from **MCCOY**. (“I need 4 ASAP.”) **MCCOY** responded by questioning whether **MAYS** would have the full payment for the cocaine (“Everything there?”). **MAYS** responded by describing that he was prepared to complete the transaction as they have in the past – **MCCOY** brings the narcotics to **MAYS**, **MAYS** then delivers the narcotics to his customer who gives **MAYS** the payment, and **MAYS** then meets back up with **MCCOY** to provide the payment for the original delivery. (“Do like we do so. Bring it. I go, bam, be right back.”) In a later call that day, **MCCOY** and **MAYS** agreed that **MCCOY** would deliver the cocaine the next day.

72. On August 8, 2019, at approximately 8:20 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 2953 wherein **MAYS** had a conversation with Rufus **WILLIAMS**. In that conversation, **WILLIAMS** said, “What’s up man?” **MAYS** responded, “Yeah, I just talked to him. He said it’s gonna be later on tonight.” At approximately 9:28 p.m., **WILLIAMS** texted **MAYS** and said, “Shld i stay up?” **MAYS** responded, “Just keep one eye open because I don’t know exactly what time.” On August 9, 2019, at approximately 12:33 a.m., **MAYS** texted **WILLIAMS** and said, “He just called me he said first thing in the morning.” Based upon this investigation, I believe that **MAYS** informed **WILLIAMS** of his previous conversations with **MCCOY**, specifically informing **WILLIAMS** that **MCCOY** would be providing the cocaine on August 9, 2019.

73. On August 9, 2019, at approximately 1:33 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7688, wherein **MAYS** had a conversation with CRAIG **MOORE**. In this conversation, **MAYS** and **MOORE** discussed the time of **MOORE**’s arrival. **MOORE** informed **MAYS** that he would not be in New Jersey until 8 or 9

o'clock. **MAYS** said, "Dude was leaving here at 6 o'clock" and "That's a long time to stall him." **MOORE**, driving from Virginia, said "You need to tell me now man. That's too far to ride out here if it's not gonna happen." **MAYS** responded, "Do you think New Jersey only got one candy shop?" **MOORE** said, "Yeah but I want the right candy shop, dog." Based upon the ongoing investigation, it is believed that **MOORE** and **MAYS** were discussing the timing of their planned narcotics transaction. **MAYS** informed **MOORE** that he would have to stall his supplier, who was expecting payment ("That's a long time to stall him.") **MAYS**, however, told **MOORE** that he could get the cocaine from another source if necessary ("Do you think New Jersey only has one candy shop?").

74. On August 9, 2019, at approximately 2:30 p.m., an incoming call is received over Mays Phone 1, wherein **MAYS** has a conversation with Nathaniel **MCCOY**. **MCCOY** informed **MAYS** that he was at his residence. Video surveillance confirmed that **MCCOY** was at the Mays Residence. Surveillance observed **MCCOY** retrieve a blue plastic bag from his car and hand it to **MAYS**. **MAYS** then immediately went back inside his residence, while **MCCOY** got back into his car and left. Based upon the investigation, I believe that **MCCOY** went to **MAYS**'s house to deliver the 400 grams of cocaine, located in the blue plastic bag, previously ordered by **MAYS**. At approximately 2:37 p.m., another incoming call was received over **MAYS** Phone 1 from **MCCOY**. On this call, **MCCOY** said, "Yo. It's 18 8, bro." **MAYS** responded, "No shit." **MCCOY** said, "Nah, dude. I can't, like, I can't be, ya know, all line up. If it ain't for all of it, not just for 3s." **MAYS** said, "Yo, yo. I got this man. Baby, we got this. Damn baby, how long we be doing this?" Based upon the investigation, I believe that after **MCCOY** dropped off the 400 grams of cocaine, he called **MAYS** to remind him that he owed him \$1,880 ("Yo. its 18 8, bro"). **MCCOY** further said he would not accept partial payment for just 300 grams ("If it ain't for all of it, not just for 3s").

75. On August 9, 2019, at approximately 3:31 p.m. an incoming call was received over **MAYS** Phone 1 from telephone number ending in 2953 wherein **MAYS** and Rufus **WILLIAMS** had a conversation. In this call, **MAYS** told **WILLIAMS** that he was at his house. Based upon this investigation, I believe that **MAYS** was at **WILLIAMS**'s house to drop off **WILLIAMS**' order of cocaine (that he had received from **MCCOY** just an hour prior). Video surveillance confirmed that **MAYS** arrived at the Williams Residence at approximately 3:25 p.m.

76. On August 9, 2019, at approximately 7:17 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 3206, wherein **MAYS** had a conversation with Gurnsey **FLAGG**. On this call, **FLAGG** said, "Oh yeah, did you talk to Forty? He coming up." **MAYS** said, "Yeah I talked to him." Later in the conversation, **FLAGG** said, "You got two grams?" and **MAYS** said "Yeah." At approximately 8:21 p.m., **FLAGG** texted **MAYS** and said "Come on dogg I'm sitting here at the house in da drive way.." Based upon this investigation, I believe that **FLAGG** had previously talked to Craig **MOORE** about his arrival in New Jersey ("Did you talk to Forty? He coming up."). **FLAGG** also ordered two grams of crack cocaine from **MAYS**. ("You got two grams?").

77. Throughout the afternoon of August 9, 2019, **MAYS** and **MOORE** had multiple conversations regarding **MOORE**'s progress in driving from Virginia to New Jersey and his approximate time of arrival. **MOORE** anticipated that he would arrive in Burlington County

around 9:30 p.m. At approximately 10:05 p.m., video surveillance observed a pickup truck arrive at **MAYS**'s residence. A check of the license plate revealed that this truck belonged to Craig **MOORE**. Based upon the intercepted communications, I believe that **MOORE** arrived at **MAYS**'s residence to complete the transaction for the previously ordered 125 grams of cocaine.

78. A short time after **MOORE** arrived at **MAYS**'s house, at approximately 10:14 p.m., an incoming call was received over Mays Phone 1 from telephone number 215-987-8556, wherein **MAYS** had a conversation with **MCCOY**. On this call, **MAYS** said, "I got it in my pocket." **MCCOY** responded, "Yo, dude. Where you at, man?" **MCCOY** said, "I'm at home, man. They all hundreds. Just come by the crib, alright man? Alright?" **MCCOY** said, "Yo. What's up man? Man, cause I gotta roll." **MAYS** responded, "Yeah, I got it. Come get it." Based upon the investigation, I believe that **MAYS** informed **MCCOY** that he had the repayment for the 400 grams of cocaine that **MCCOY** delivered to **MAYS** earlier that day. ("They all hundreds" "Yeah, I got it. Come get it.") I believe **MAYS** had full payment for **MCCOY** after completing both narcotics transactions to **MOORE** and Rufus **WILLIAMS** earlier that day.

79. On August 9, 2019, at approximately 11:56 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7696, wherein **MAYS** and **FOWLER** had a conversation. On this call, **FOWLER** said, "You can do, I'm tryna think, you can do two done?" **MAYS** said, "Huh?" **FOWLER** responded, "You can do two done?" **MAYS** said, "You want two?" **FOWLER** said, "Yeah, but like, can you do like, do something better, like for me, like can I get the good shit this time? What the fuck?" **MAYS** said, "You know something, Murder...I'm back in here, cause you know, this a supermarket, baby! I got shelves full. I'm coming back here, I'm gonna pick u something different, ok? I promise you alright?" **FOWLER** said, "Bout how long you need?" **MAYS** said, "Bout 20 minutes." **FOWLER** said, "Alright." Based upon this conversation, I believe that **FOWLER** ordered two grams of crack cocaine ("two done") and asked that it be of high quality ("Get the good shit this time.") In response, **MAYS** bragged that he had multiple products available and he would sell **FOWLER** something different this time. ("This is a supermarket baby! I got shelves full.")

80. On August 11, 2019, at approximately 11:23 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7696, wherein **MAYS** had a conversation with **FOWLER**. In this conversation, **FOWLER** said, "I just need one right now. Hook it up for your boy." **MAYS** responded, "Shit. Tell my boy to hook it up for me. Shit man, hook me up and I'll hook you up." **MAYS** later said, "You can't get no peanut butter if you ain't got no jelly." Based upon this investigation, it is believed that **FOWLER** asked **MAYS** to front him a quantity of narcotics without payment ("I just need one" and "Hook it up for your boy."). **MAYS** told **FOWLER** that you can't get narcotics without paying for it ("Can't get no peanut butter if you ain't got no jelly.").

81. On August 12, 2019, at approximately 2:15 p.m., an outgoing call was placed on Mays Phone 1 to telephone number ending in 7688, wherein **MAYS** had a conversation with Craig **MOORE**. On this call, **MOORE** said, "I might need you to holla, because I done made 27 already." Based upon the entirety of this investigation, including previously recorded calls, I believe that **MOORE** informed **MAYS** that he already had sold a portion of the crack that he

picked up on August 9, 2019 and made \$2700 ("I done made 27 already"), and thus, would need to make another purchase ("I might need you to holla"). Later in the call, **MOORE** said, "My last stop is in Long Island. I'll hit you when I leave Long Island to come through." As a result of this investigation, I know **MOORE** to be a commercial truck driver, who often meets with **MAYS** to conduct drug transactions on his trucking routes. Here, I believe **MOORE** informed **MAYS** that he would again meet with him after he left Long Island. Later that day, at approximately 6:36 p.m., **MOORE** again called **MAYS** to discuss the transaction. Specifically, **MOORE** said, "So, I got about 37 on me. I just got to hit the bank and grab the rest. I still got like 60 Gs left at the crib. But, we gonna do the um, what we did the other day?" I believe that "what we did the other day" is in reference to a previous transaction between **MAYS** and **MOORE**, where **MAYS** sold **MOORE** 125 grams of crack cocaine.

82. On August 13, 2019, at approximately 1:17 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 4867, wherein **MAYS** had a conversation with Andre **PERKINS**. On this call, **PERKINS** said, "yo that nigga for the 10 is proly out there already" and **MAYS** responded "the nigga get uh, uh, 10 easy?" **PERKINS** asked, "You said 10 what, girls?" **MAYS** said "oh 10 girls". Later in the call, **MAYS** asked, "I'm saying he want 10 then he wants 28?" and **PERKINS** responded, "yea, yea." Based upon this investigation, it is believed that **PERKINS** ordered a quantity of cocaine and crack-cocaine from **MAYS** ("I'm saying he want 10 [girls] then he wants 28") and **PERKINS** responded, "Yea, yea." Based upon my training, experience, and what I have learned throughout this investigation, I know that the term "girl" or "easy" is a reference to powder cocaine.

83. On August 13, 2019, at approximately 8:25 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 2953, wherein **MAYS** had a conversation with Rufus **WILLIAMS**. On this call, **WILLIAMS** said, "Hey. Do you think you can find me some granite?" **MAYS** responded, "...we over here, uh, had to take him over to Fat Boy's crib...Johnny can you find it?" **MAYS** then said, "Johnny said he's gonna call for you." Based upon this investigation, I believe that **WILLIAMS** was asking **MAYS** for crack cocaine ("find me some granite"), and because **MAYS** was at Andre **MORTON**'s ("Fat Boy") house, he directed John **PETROVICH** to assist. ("Johnny said he's gonna call for you.") Later, at approximately 9:32 p.m., **WILLIAMS** called **MAYS** again and said, "Dude just came, man. I'm grabbing the granite now. I'm grabbing your granite now." **MAYS** said, "Alright." I believe that **WILLIAMS** called **MAYS** to report that **PETROVICH** had just arrived at **WILLIAMS**'s house ("Dude just came, man.") and that **WILLIAMS** was just then getting the crack cocaine. ("I'm grabbing your granite now.")

84. On August 14, 2019, at approximately 4:50 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 7688 wherein **MAYS** and **MOORE** had a conversation. In this call, **MOORE** said, "I'll be there at 11 o'clock." **MAYS** responded, "Alright man. Lemme jump on this mother fucker, dog. I thought it was gonna be after lunch." **MOORE** responded, "Well, between 11 and 12. But get it together, man, but get it together so it will be dry and ready." **MAYS** said, "Alright." Here, I believe **MOORE** was asking **MAYS** to cook up crack cocaine for him to purchase the next day ("get it together so it will be dry and ready").

85. On August 14, 2019, at approximately 6:53 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 7224, wherein **MAYS** and **BRANSON** had a conversation. In this call, **BRANSON** said, "You got anything put together?" **MAYS** said, "Like what?" **BRANSON** said, "Like hold up, hold up. What's one hundred minus, minus a good, good solid 30 or 40?" **MAYS** said, "Let em ask you. How much money you got?" **BRANSON** said, "It's not for me. I'm calling because somebody wanted something." **BRANSON** said, "She got like \$35." **MAYS** said, "Ok, so she got \$35. When is she suppose to, when are you suppose to get the \$35?" **BRANSON** said, "She's on her way out here, I'm asking, what you have so we can meet you. She's gonna be there. I'm just gonna be the middle man Hand you the money and then hand her the shit." Later **BRANSON** said, "All I'm doing is being the middle man. Meet you somewhere, see if you had it, meet you somewhere, give you the money and give her the shit, and go on about my business." **MAYS** agreed to conduct the narcotics transaction. At approximately 7:14 p.m., **BRANSON** called **MAYS** and said, "Alright, where are you?" **MAYS** said, "I just came outside. I'm getting in my car right now." **BRANSON** said, "Alright, and I actually see her, so, damn there's no cars in this parking lot. Can we go, can we go somewhere else?" **MAYS** responded, "I gotta meet my man." **BRANSON** said, "Oh my god, can you park on the side where all the cars are, at the fitness center? It is no cars in this parking lot, it's completely empty, so I'm going over there where there is cars at, the fitness center." **MAYS** said, "You're gonna be at the fitness center?" **BRANSON** said, "Yeah. We are both, she's here. I'm at the fitness center."

86. On August 15, 2019, at approximately 9:38 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7688, wherein **MAYS** had another conversation with Craig **MOORE**. In this call, **MOORE** said, "You got it?" and **MAYS** said, "Man, I cooked that shit up last night. That shit good and dry" **MOORE** said, "What we got? 125, right?" **MAYS** responded, "124. It came out the pot, one two four." Here, I believe **MAYS** was informing **MOORE** that he had 124 grams of crack cocaine cooked up for **MOORE** to pick up. ("It came out the pot one two four"). Later in this same call, **MAYS** said, "You killing me, man." **MOORE** said, "You crazy." **MAYS** said, "100 dollars for all that work I'm doing." **MOORE** said, "You crazy." **MAYS** responded, "You make 70, 67 thousand and I'm making 100." **MOORE** then said, "I ain't making that much money man. I make about 3 grand profit off of each 125." In this same call, **MAYS** and **MOORE** also discussed the cooking process that **MAYS** used to turn the powder cocaine into crack cocaine. Other intercepted called between 12:15 p.m. and 12:37 p.m., confirm that **MAYS** met **MOORE** at a truck stop in Bordentown Township. Additionally, surveillance units were positioned at the truck stop in anticipation of this meeting. **MAYS** was observed arriving at the truck stop, driving a red Kia, shortly after 12:15 p.m. At approximately 12:28 p.m., **MOORE** was observed arriving in a tractor trailer. At approximately 12:34, **MOORE** exited the tractor trailer and walked toward the front of the truck stop, where he was observed meeting with **MAYS**. At that time, both **MAYS** and **MOORE** walked together back to **MAYS**'s red Kia; both men entered the vehicle and left the truck stop. Surveillance followed the red Kia to a bank in Fieldsboro, New Jersey. Officers observed **MOORE** exit **MAYS**'s vehicle and enter the bank. It should be noted that based upon prior intercepted communications, I know **MOORE** to have a bank account with this particular bank. **MOORE** exited the bank at approximately 12:50 p.m. and reentered **MAYS**'s waiting vehicle. Surveillance followed the vehicle back to the truck stop where **MOORE** was observed exiting **MAYS**'s vehicle and returning to his tractor trailer. Based upon the intercepted communications

and the officers' observations, I believe that **MAYS** and **MOORE** drove to the bank so that **MOORE** could obtain payment for the 125 grams of crack cocaine previously ordered. Further, I believe the drug transaction occurred inside of **MAYS**'s vehicle.

87. On August 15, 2019, at approximately 12:11 p.m. an incoming call was received over Mays Phone 1 from telephone number ending in 2823, wherein **MAYS** had a conversation with Ronnie **DAWSON**. On this call, **DAWSON** asked **MAYS** where he was, because he was "supposed to be getting 96." **MAYS** informed **DAWSON** that he would be home in thirty minutes, but that there "ain't no 96 there." Based upon this communication, I believe that **DAWSON** called to arrange to pick up 96 grams of crack cocaine from **MAYS**. At 12:53 p.m., **DAWSON** again called **MAYS**. In this call, **DAWSON** said, "where you at?" **MAYS** responded, "I'm on my way home. I'll be home in 20 minutes." **DAWSON** said "You said 20 minutes an hour ago, bro. I been sitting here for an hour." **MAYS** said, "Well, I had to wait for somebody boo." **MAYS** then said, "Why didn't you call me this morning? I been up all morning." **DAWSON** said, "I can go get the shit myself, man. I don't steal." **MAYS** responded, "I never said you stole." **DAWSON** said, "I don't feel like waiting another 20 min, man. That be an hour and a half. I been sitting here waiting. I got someone waiting at McDonald's." Based upon this investigation, I believe that **DAWSON** was waiting to pick up narcotics from **MAYS**'s residence, but **MAYS** was out delivering crack cocaine to **MOORE** at the time ("I had to wait for somebody.") I further believe that **DAWSON** was annoyed because he had a narcotics customer of his own waiting. ("I got someone waiting at McDonald's.).

88. Just after hanging up with **DAWSON**, on August 15, 2019, at approximately 1:00 p.m., an incoming call was received over Mays Phone 1 from Morton Phone 2. In this call, **MORTON** said, "Yo." **MAYS** responded, "I just talked to Boo. I'll be home in 10 minutes." **MORTON** said, "Alright, cause I need to come over there too. That's why." **MAYS** said, "Alright I'll be home in 10 minutes." Based upon this phone call, I believe **MAYS** immediately told **MORTON** that he had just gotten off the phone with **DAWSON** ("Boo"), and that **MORTON** informed **MAYS** that he planned to go to **MAYS**'s residence to pick up narcotics ("I need to come over there too."). Further, I further know **DAWSON** and **MORTON** to be close associates. Surveillance followed **MAYS** from the truck stop directly back to his residence, where **DAWSON**'s black Dodge Challenger was parked in **MAYS**'s driveway. **MAYS** was observed meeting with **DAWSON**. Surveillance observed **MORTON** arrive at **MAYS**'s residence at approximately 1:18 p.m., while Ronnie **DAWSON** was still at **MAYS**'s residence. **MORTON** pulled his vehicle alongside **DAWSON**'s car. **DAWSON** then departed, while **MORTON** exited his car and entered **MAYS**'s residence. **MORTON** left **MAYS**'s residence at approximately 1:23 p.m.

89. On August 15, 2019, at approximately 6:14 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7224, wherein **MAYS** and **BRANSON** had a conversation. **BRANSON** said, "The girl that I seen, she said that shit was terrible yesterday." **MAYS** said, "Well, if she said it was terrible, I damn sure ran through 150 of it." **BRANSON** said, "Well she said she ain't like that shit." **MAYS** said, "Well, you know something, you can't you can't please everybody all the time, you know?" **BRANSON** said, "Yeah, you right about that." **MAYS** said, "Yeah, plus, plus, plus, she calls it a hamburger and these motherfuckers call it a steak." **BRANSON** said, "I mean, had an attitude about it too.

Talking bout um, it was not good, and blah, blah, blah.” **MAYS** said, “I mean, to be, to give you my professional opinion, no it’s not, not, it’s not what my people normally have, but you know, it’s like, its like they told me a long time ago. This ain’t no supermarket. You can’t just walk into a motherfucking store and get what you want. So, but it was 100 percent, ah, coke, so, yeah, it was no bubble gum, none of that type of shit, but you know. And, cases like that I always tell em, listen. Sometimes you get the bear and sometimes the bear gets you. So, you know. All I can do is get rid of it and get some more.” **BRANSON** then said, “I just got rid of that little piece you gave me for forty just now.” **MAYS** said, “Oh did you? So, you robbed somebody?” **BRANSON** said, “Oh, how much? I thought you said it was like 37?” **MAYS** said, “I told you you could get 35 to be on the good side. It was like .38 though.” Based upon the investigation and other intercepted communications, I believe that **MAYS** and **BRANSON** discussed the quality of the crack cocaine that **BRANSON** obtained from **MAYS** on August 14, 2019 and then distributed to an unknown female. **BRANSON** informed **MAYS** that the unknown female thought the crack cocaine was of poor quality (“She said she ain’t like that shit.”). Later in the call, **BRANSON** confirms that she sold another portion of crack cocaine to someone else for \$40 (“I just got rid of that little piece you gave me for forty just now”), and **MAYS** informed her that that amount of crack cocaine was probably only worth \$35 (“I told you you could get 35 to be on the good side.”)

90. On August 15, 2019, at approximately 9:18 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 8556 wherein **MAYS** and **MCCOY** had a conversation. On this call, **MAYS** said, “I need 2 right now.” **MCCOY** responded, “Alright. It’ll be like earlier tomorrow.” The next day, on August 16, 2019, in a series of telephone calls, **MCCOY** and **MAYS** discussed where and when to meet to make the transaction. At approximately 4:03 p.m., **MAYS** called **MCCOY**. On this call, **MCCOY** said, “You know where the Dicks at?” **MAYS** responded, “Yes.” **MCCOY** said, “I’m right in front of it.” **MAYS** said, “Alright then. I’ll be right there in two minutes.” At approximately 7:13 p.m., **MCCOY** called **MAYS** and said, “Yo, uh, it’s like eighty short.” **MAYS** said, “Eighty bucks short?” **MCCOY** said, “Yes sir.” **MAYS** responded, “Alright. I’mma call him up right now man.” Based upon my training and experience, and the within investigation, I believe that **MAYS** ordered 200 grams from **MCCOY** (“I need two right now.”) and **MCCOY** said he could have it for him the next day (“earlier tomorrow.”).

91. Also on August 16, 2019, law enforcement officers were assigned to surveil Nathaniel **MCCOY**. At approximately 1:55 p.m., while on this assignment, officers observed **MCCOY** in Philadelphia. Between 1:55 p.m. and 3:10 p.m., officers observed as **MCCOY** made a series of turns and stops, indicative of counter surveillance. At 3:47 p.m., **MCCOY** was observed heading back into New Jersey. At 3:59 p.m., **MCCOY** was observed entering the parking lot of a sporting goods store in Burlington Township, New Jersey. At approximately 4:00 p.m., officers assigned to surveil Herbert **MAYS** observed **MAYS** leave the Mays Residence. At 4:09 p.m., officers observed as **MAYS** entered the parking lot. At this time, officers observed **MCCOY** exit his vehicle holding a brown shopping bag. **MCCOY** approached the driver’s side window of **MAYS**’s vehicle as it approached. **MCCOY** was then observed handing the brown shopping bag to **MAYS** through the window of **MAYS**’s car. **MAYS** then left the parking lot, while **MCCOY** entered the store. At 4:27 p.m., **MAYS** was observed back at his residence. This surveillance corresponds directly to the phone calls made

between **MAYS** and **MCCOY** on the same day. I believe that the brown shopping bag that **MCCOY** handed to **MAYS** contained the 200 grams of cocaine previously ordered.

92. On August 16, 2019 at approximately 8:15 p.m., an incoming call was received over telephone number ending in 6987, wherein **MAYS** had a conversation with Anthony **PRUITT**. In this call, **MAYS** said, "What's up, big dog?" **PRUITT** said, "Ain't shit, um, I'm getting ready to go to work. Uh, you got me tomorrow?" **MAYS** said, "How many you want?" **PRUITT** responded, "A yard." **MAYS** responded, "Alright, then, no problem, alright." Based upon this investigation, I believe that **PRUITT** ordered 100 grams of crack cocaine from **MAYS**. Based upon my training and experience, I know that "a yard" is slang for 100 grams.

93. On or about August 16, 2019 at approximately 10:17 p.m., an incoming call was received over Mays Phone 1 from Morton Phone 3, wherein **MAYS** and **MORTON** had a conversation. On this call, **MAYS** said, "I called to tell you that I got 1025. I got the 100 from the other day I was supposed to give you. I got 280 from the 10 of the new and I need a hundred in the morning." **MORTON** said, "One hundred from the other day? You was supposed to give me the \$100." Later in the call **MAYS** said, "Alright, but, yo. I need 100 first thing in the morning." **MORTON** responded, "I'm, uh, trying to make it happen, but I ain't got no phone calls back yet. But I'mma see, I'mma see." Based upon this investigation, I believe that **MAYS** informed **MORTON** that he had money for him that he owed to **MORTON** ("the 100 from the other day I was supposed to give you"). Later in the conversation, I believe that **MAYS** told **MORTON** that he needed 100 grams of cocaine ("I need 100 first thing in the morning") and that **MORTON** was attempting to obtain that for him ("I'm, uh, trying to make it happen, but I ain't got no phone calls back yet."). Additionally, I believe the 100 grams of cocaine that **MAYS** was attempting to obtain was needed to fill the order that was placed by **PRUITT** earlier this same day.

94. On August 17, 2019, at approximately 5:36 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 6987, wherein **MAYS** had a conversation with Anthony **PRUITT**. In this call, **MAYS** said, "Hey, buddy. What's up?" **PRUITT** said, "Nothing. I was just seeing what's going on." **MAYS** said, "Yeah, I'm just waiting on my people. That's all." **MAYS** followed up this conversation with a text message to **PRUITT** at approximately 8:26 p.m., which said, "He will be here in about 35 minutes." **PRUITT** responded, "Ok just call me." At approximately 8:53 p.m., surveillance officers observed a grey Audi Q7, operated by Nathaniel **MCCOY**, park in front of **MAYS**'s residence. At 8:54, **MAYS** was observed exiting his residence and walking directly to **MCCOY**'s Audi. At 8:55 p.m., **MAYS** was observed dropping an item inside of the Audi; the Audi subsequently pulled away. Based upon this investigation, I believe that **PRUITT** and **MAYS** talked earlier in the day about what time **MAYS** would have the 100 grams that he previously ordered. ("I was just seeing what's going on," "waiting on my people," and "He will be here in 35 minutes."). Based upon the observations of surveillance officers, I believe that **MAYS**'s "people" was **MCCOY**, as he arrived at the time **MAYS** informed **PRUITT**, approximately 35 minutes after the phone call. I believe that when **MCCOY** arrived at **MAYS**'s residence, **MCCOY** and **MAYS** exchanged money for cocaine.

95. At approximately 9:08 p.m., **MAYS** called **PRUITT** and said, "Yo, when you come over here, turn on the dead end street." **PRUITT** said, "Dead end street?" **MAYS** said, "Yeah, on the side of my house. Turn in there and turn around. Homeboy going to (unintelligible) inside." **PRUITT** said, "Who?" and **MAYS** responded, "Johnny." **PRUITT** said, "Oh, ok. I will call you when I get close. I got to leave the house. Give me ten minutes." At 9:24 p.m., surveillance units observed a white Ford pickup truck arrive and park in **MAYS**'s driveway. The driver was positively identified as John **PETROVICH**. **MAYS** was observed walking to the driver's side window of the pickup truck, where he had a conversation with **PETROVICH**.

96. At approximately 9:36 p.m., **PRUITT** called **MAYS** and said, "I'm coming. I'm going to turn on the block now. Tell him to come on." At approximately 9:38 p.m., surveillance units observed a grey Mercedes Benz pull up alongside **MAYS**'s residence and park. Surveillance units identified the driver of the grey Mercedes to be Anthony **PRUITT**. Surveillance officers then observed **MAYS** walk up to the grey Mercedes and hand an item to the driver. Based upon the intercepted communications, along with the observations of surveillance, I believe that officers observed **MAYS** sell **PRUITT** 100 grams of cocaine, previously provided to **MAYS** by **MCCOY** a short time earlier.

97. On August 19, 2019, at approximately 9:12 p.m., an outgoing call was placed on Mays Phone 1 to telephone number ending in 0019, wherein **MAYS** has a conversation with John **PETROVICH**. On this call, **MAYS** said, "Johnny." **PETROVICH** responded, "What?" **MAYS** said, "Yo, man. Come quick, man. I can't see how to cook it cause the electric went off. I just got a generator, so could you please come now?" **PETROVICH** said, "Alright. I'll be right there." Based upon the ongoing investigation, I believe that **MAYS** told **PETROVICH** that because the electricity went out at his house, he could not see what he was doing as he was "cooking" the cocaine into crack cocaine ("I can't see how to cook it cause the electric went off.") I know **MAYS** to frequently cook crack cocaine in his residence, and also to rely upon **PETROVICH** to help him fix things in his residence.

98. On or about August 21, 2019, at approximately 2:20 a.m., an incoming text message was received over Mays Phone 1 from telephone number ending in 2256, a number known to be used by Samantha **BOHLERT**. In this text, **BOHLERT** said, "You still have Pablo" and **MAYS** responded, "Yes." **BOHLERT** then said, "I'm need a 50" and **MAYS** said, "Come get it." At approximately 2:41 a.m., **BOHLERT** sent a text that read, "Pulling up in five minutes."

99. On or about August 21, 2019, at approximately 12:52 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 6987, wherein **MAYS** had a conversation with Anthony **PRUITT**. On this call, **PRUITT** said, "I knew you were gonna call. I'm trying to do my business. It's for my job. What, um, yeah, ah, same thing." **MAYS** said, "Aight, let me call my people, man." **PRUITT** said, "Aight, call me, call me right back." **MAYS** then immediately called Linford **JOHNSON** and asked him to get him "100." **JOHNSON** informed **MAYS** that he didn't have anything to sell. Based upon this call, and previous purchases by **PRUITT**, I believe that when **PRUITT** ordered the "same thing," he ordered 100 grams of cocaine. At approximately 1:42 p.m., **MAYS** called Andre **MORTON** and the two

discussed the amount of **MORTON's** money that **MAYS** had stored at his house. **MAYS** then said, "I need 100 right now." After **MORTON** continued to talk about money, **MAYS** said, "Yeah, so what you, what you think about that 100?" **MORTON** responded that once he collected his money, he would be able to provide the cocaine. At approximately 4:46 p.m., **MAYS** called **MORTON** and said "Yo Fats. How much longer, Fats?" **MORTON** said, "20." Immediately following that phone call, **MAYS** called **PRUITT** and said, "20 minutes big dog, 20 minutes." At 5:37 p.m., **MAYS** called **PRUITT** and said, "Pull all the way into the driveway, behind the Mustang." At 5:38 p.m. surveillance officers observed **PRUITT**, driving a grey Mercedes Benz, pull into **MAYS** driveway. At that time, officers observed a female passenger exit the Mercedes Benz and enter **MAYS's** residence.

100. On August 23, 2019, at approximately 3:45 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 2953, wherein **MAYS** had a conversation with Rufus **WILLIAMS**. In this conversation, **WILLIAMS** said, "Man, fuck all that. See if them niggas normal yet." **MAYS** said, "Huh?" **WILLIAMS** said, "See if they normal yet." **MAYS** said, "Who niz?" **WILLIAMS** said, "Oh my goodness, why do you do stuff like that?" **MAYS** said, "I don't know what you talking about." **WILLIAMS** said, "Why do you do that? Who else would the fuck I be talking about my bro?" **MAYS** said, "Aight, aight." Based upon my training and experience, and the within investigation, in this call, I believe that **WILLIAMS** asked **MAYS** to inquire if Nathaniel **MCCOY** ("Niz") was in a position to supply him with a large amount of cocaine ("See if they normal yet."). I know that "normal" is a term used to imply that a drug supplier has a supply to sell. Immediately following this call, **MAYS** placed a phone call to Nathaniel **MCCOY**, who did not answer the phone.

101. When **MCCOY** did not answer the phone, **MAYS** immediately called Julius **THIGPEN**. On August 23, 2019, at approximately 3:49 p.m., an outgoing call was placed to telephone number 267-456-4014, wherein **MAYS** had a conversation with Julius **THIGPEN**. On this call, **MAYS** said, "Yo, yo, yes sir I'm going out of town in about four to five hours. I'm calling you cause my people just called me and I'm trying to see if you got something good cause he needs something before I leave." **THIGPEN** said, "He can come around here, but it's on the roof though, Gene. He only comes once every six months, you can tell him I need a nick a piece for em. He can get as many as he wants. I guarantee him." **MAYS** said, "You need a what?" **THIGPEN** said, "A nickel a piece, five, a "jo pack" is five. 100% guarantee it. I can't do it for nothing else. He only come once every, ya know mean?" **MAYS** said, "You need a nickel a piece." **THIGPEN** said, "Yeah, I'm selling em for five Gs, man. I got some other stuff I can do for 47, but I mean, I want five Gs. I ain't gonna lie, it's tight man and anybody that only come once every two to three weeks, I can't even help em out like that. Yo being honest, he only comes when he can't get ahold of his other man, so why should I...?" **MAYS** said, "Yo, I be calling you, June. You don't never answer the goddamn phone." **THIGPEN** said, "You don't know what you're talking about. You know he always bullshit, go somewhere else man, c'mon Gene, c'mon man. I can't help him out unless he wanna pay five thousand a piece. I can get as many as he want, and I guarantee 100% and it's clean and sweet." **MAYS** said, "Yo, yo, how about two for 4800." **THIGPEN** said, "2 for 48, I'll do two for 4850." Based upon this conversation, I believe that **MAYS** inquired as to whether **THIGPEN** could supply cocaine to Rufus **WILLIAMS**. **THIGPEN** informed **MAYS** that he would sell him 100 grams for \$5,000.

("A jo pack is 5," "I can't help him out unless you wanna pay five thousand a piece."). **MAYS** negotiated **THIGPEN** down to two hundred grams for \$4,850 ("I'll do two for 4850").

102. On or about August 23, 2019, at approximately 5:03 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 3206, wherein **MAYS** and **FLAGG** had a conversation. In this call, **MAYS** said, "Yeah, I seen Boo earlier. I told Boo to give me a G." **FLAGG** said, "Yeah, if he keep that sand off of it he good. He had the same thing Fat Boy had. I don't know what he had today, I know I got the last of it yesterday." **MAYS** said, "Yeah said something about you told him to see Johnny so he could get into the house or some shit." **FLAGG** said, "Yeah, to get the money. I got some money for him." Based upon this investigation, I believe that **MAYS** and **FLAGG** discussed Ronald **DAWSON** ("Boo") and the current cocaine that **DAWSON** had for sale. **FLAGG** confirmed that **DAWSON** had the same cocaine that Andre **MORTON** was selling ("He had the same thing Fat Boy had"). Further, **FLAGG** said that he told **DAWSON** to go to his house to pick up money from John **PETROVICH** ("You told him to see Johnny so he could get into the house," "I got some money for him."). Based upon this investigation, I know **FLAGG** and **PETROVICH** to run the Burlington stash house, and I believe that is the house that **FLAGG** said he directed **DAWSON** to.

103. Based upon several intercepted communications, I believe that **MAYS** traveled to Virginia on or about Friday, August 23, 2019, and returned on or about Friday, August 30, 2019. While he was away, he informed his customers and associates that he was in Virginia, and thus, could not complete any narcotics transactions.

104. On August 29, 2019, at approximately 6:09 p.m., **MAYS** had a conversation over Mays Phone 1 with Anthony **PRUITT**. On this call, **PRUITT** said, "Um, tomorrow, I'm gonna need what I usually get. I need that, but I need two of them though. I'm going with "Bo," so I need two of them. But I wanna know a number though." **MAYS** said, "Two what?" **PRUITT** said, "CRs, but I wanna know the number. I need a sample too." **MAYS** said, "Well, yeah. Uh, he gonna take it down another dollar." **PRUITT** said, "So what it supposed to be 30 dollars?" **MAYS** said, "Huh?" and **PRUITT** said, "39?" **MAYS** said, "No! 40 ain't it? It's already 41." **PRUITT** said, "Alright, alright. Um, you have the list? Because I need it all chunky money because last time it was light." **MAYS** said, "Ok, I'm gonna put it in for you right now and make sure that you have it." Based upon this investigation, I believe that **PRUITT** ordered 200 grams of crack cocaine from **MAYS**, as he ordered two of his regular order. As a result of this investigation, I know **PRUITT**'s regular order to be 100 grams. Further, **PRUITT** said that he was buying along with "Bo," a reference to another subject of the investigation. I also know that **PRUITT** specifically ordered crack cocaine, as he specified that he wanted it "chunky monkey," and complained that the previous ordered had been "light," meaning not as solid.

105. On August 29, 2019, at approximately 6:10 p.m., an incoming call was received over Morton Phone 3 from Mays Phone 1. **MAYS** said, "Tomorrow I need 2 of them, ok?" **MORTON** said, "Points?" **MAYS** said, "Yeah. Two of them. No, no, no." **MORTON** clarified, "Two hundreds?" **MAYS** said, "Yes, yes." **MORTON** said, "Alright, I got you." Based upon the intercepted communications, I believe that after **PRUITT** ordered 200 grams of cocaine from **MAYS**, **MAYS** immediately called **MORTON** to obtain the supply of 200 grams of cocaine ("I need two of them," and "two hundreds.").

106. On August 30, 2019, at approximately 5:02 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 2953, wherein **MAYS** had a conversation with Rufus **WILLIAMS**. In this call, Rufus **WILLIAMS** said, "Hey. Three times, man." **MAYS** responded, "Three times?" **WILLIAMS** said, "Yeah, three times, yeah, exactly. Make sure you know what I mean." **MAYS** responded, "yeah, yeah, yeah, yeah, yeah." Based upon this investigation, I believe that Rufus **WILLIAMS** ordered 300 grams from **MAYS** ("three times").

107. Immediately after speaking to Rufus **WILLIAMS**, between 5:03 p.m. and 5:07 p.m., **MAYS** made six phone calls to **MCCOY**; **MCCOY** did not answer any of these six calls. At approximately 5:08 p.m., an outgoing text message was sent from Mays Phone 1 to **MCCOY**, which said, "He needs 3." At approximately 5:49 p.m., an incoming call was received over **MAYS** Phone 1 from **MCCOY**, wherein **MAYS** said, "Did you get my message?" **MCCOY** said, "Yeah, I just got it. Um, I'm getting ready to be on my way up there, but um, I only got the two." **MAYS** said, "Aight, aight. No problem." **MCCOY** then said, "I'm en route though. I'm on my way out there." **MCCOY** called **MAYS** at approximately 7:54 p.m. and said, "You want to meet at the Home Depot?" **MAYS** said, "In the same location?" **MCCOY** said, "Yeah, because I got to come there." **MAYS** said, "Alright, alright. I'm leaving the house now. How long its going to take you?" **MCCOY** said, "I'll probably be there the same time you do."

108. On August 30, 2019, at approximately 8:08 p.m., surveillance units observed **MAYS** leave his residence and travel to a home improvement store in his red Kia. At approximately 8:19 p.m., a grey Audi, driven by **MCCOY**, arrived in the store's parking lot; **MAYS** arrived shortly thereafter. Once **MAYS** arrived, he walked directly to **MCCOY**'s driver's side window and spoke to **MCCOY**. **MAYS** was observed as he retrieved an item from **MCCOY** and then subsequently went back to his red Kia.

109. On August 30, 2019, at approximately 5:43 p.m., an outgoing text message was sent from **Morton** Phone 3 to telephone number ending in 5775, a number known to be used by Teron **HUGGINS**. **MORTON** texted, "I need you in 45 min." **HUGGINS** responded, "Math so I can tell him now." **MORTON** responded, "225." Based upon my training and the within investigation, I believe **MORTON** ordered 225 grams of cocaine from **HUGGINS**. At 6:46 p.m., **MORTON** texted **HUGGINS**, "You ca meet me in wb bow" and then "Now." At approximately 7:13 p.m., **MORTON** called **MAYS**. In that conversation **MORTON** said, "Alright, ole boy ain't down the street. Where he?" **MAYS** said, "Ole boy? Waiting? Who?" **MORTON** said, "For you to grab, I told you I needed that money." **MAYS** said, "Oh, he pulling up in ten minutes." **MORTON** said, "Alright look, when you get it, right, give ole boy 75 40." **MAYS** said, "75 40." **MORTON** said, "You know what man, you should, I should, I'mma come pick up the 460." At approximately 7:24 p.m., **MORTON** called **HUGGINS** and said, "My bad bro, pull up by Unc's house." Based upon these intercepted communications, I believe **MORTON** directed **HUGGINS** to deliver the 225 grams of cocaine to **MAYS**'s house ("Pull up by Unc's house") and further directed **MAYS** to give **HUGGINS** \$7,540 as payment for the cocaine ("I told you I needed that money," and "Give ole boy 75 40").

110. At approximately 7:42 p.m., **HUGGINS** called **MORTON** and said, "Alright, so what you want me to do?" **MORTON** said, "Dude, just pull back up to the crib now. Yeah, you can pull up to the crib now." At 7:43, **MORTON** called **MAYS** and said, "He already on his way, he at McDonalds." **MAYS** said, "Alright." **MORTON** said, "75 40." **MAYS** said, "I got you babe." Based upon these and other intercepted communications, I believe that **HUGGINS** went to **MAYS**'s house and retrieved \$7,540 as payment for 225 grams of cocaine.

111. At approximately 9:52 p.m., **MORTON** sent a text to **HUGGINS** which read, "Time," and **HUGGINS** responded, "40." **MORTON** said, "Let me know when you 20?" At approximately 10:28 p.m., **HUGGINS** called **MORTON** and said, "I forgot to call you, but tell him, um, ten minutes." **MORTON** said, "Oh, you going right there to Unc's?" **HUGGINS** said, "Uh yeah. Tell him I'm in and out though, bro." **MORTON** said, "Yeah, yeah, yeah, I know. You might not even have to go in." **HUGGINS** said, "I don't wanna go in, that's what I'm saying. I want him to come outside so I can..." **MORTON** said, "Yeah, yeah, yeah, you might, alright." At approximately 10:29 p.m., **MORTON** called **MAYS** and said, "You home?" **MAYS** said, "Yeah, where you at?" **MORTON** said, "Um, ole boy bout to come there too." **MAYS** said, "Who?" **MORTON** said, "The dude that you gave the money to earlier." **MAYS** said, "Alright." **MORTON** said, "You want me to tell him to put it in the car?" **MAYS** said, "Yup, cause I'mma tell you. I thought you were coming. I was gonna tell you I have \$390 in the console." **MORTON** said, "Look. I'mma tell him to put that in the console too, look and um, alright, um, that's it. Onnie gonna come pick it up now." **MORTON** then texted **HUGGINS**, "Put it in his console center." **MAYS** texted **MORTON** and said, "Tell him on the passenger front door \$380." At approximately 10:34, **MORTON** called **HUGGINS** and said, "Just put it in the center, the center console." Based upon the investigation and the intercepted communications, I believe that after receiving payment, **HUGGINS** obtained the 225 grams of cocaine. I believe that **MORTON** told **HUGGINS** to bring the cocaine back to **MAYS**'s house and put it in the center console of **MAYS**'s vehicle ("just put it in the center, center console"). I also believe that **MORTON** told **MAYS** that Andre **PERKINS** ("Onnie") would be retrieving the cocaine and the money from **MAYS**'s vehicle later. At approximately 11:02 p.m., **PERKINS** called **MORTON** and said, "What you say again? No one's here." **MORTON** said, "The door and the center piece." **PERKINS** said, "Ok." **MORTON** said, "Get it and then come back." Subsequent phone calls between **MORTON**, **MAYS** and **PERKINS** confirmed that **PERKINS** obtained the money and the cocaine from inside of **MAYS**'s vehicle.

112. On August 30, 2019, at approximately 10:49 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 8629, wherein **MAYS** and **TRACY WILLIAMS** had a conversation. On this call, **WILLIAMS** said, "I need a 50." **MAYS** said, "Where you at?" **WILLIAMS** said, "I'm coming down Levitt." **MAYS** said, "Alright. When you get ready to turn on Tiffany call me." At approximately 10:52 p.m., **WILLIAMS** called **MAYS** and said "Yo. Bout to turn on Tiffany." **MAYS** said, "I see a SUV or something with the headlights off, parked outside my driveway. I don't know who he is." **WILLIAMS** said, "So you want me to circle the block?" **MAYS** said, "Yeah." At approximately 10:55 p.m., **MAYS** and **WILLIAMS** again have a conversation, where **MAYS** instructs **WILLIAMS** to meet him at the side entrance of his residence. Based upon this overall investigation, I believe that **WILLIAMS** ordered \$50 worth of crack cocaine ("I need a 50") and that **MAYS** told him to come to the Mays Residence.

113. On August 31, 2019, at approximately 9:56 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 2823, wherein **MAYS** had a conversation with **DAWSON**. On this call, **DAWSON** said, "When are you going to pay me? You can't never. I ain't see you in a week bitch." **MAYS** said, "I was down at the beach goddamn it. I just got back." **DAWSON** said, "As a matter of fact, come to Smitty's for me. Come to Smitty's for me." **MAYS** said, "Over there right now? Like right this minute?" **DAWSON** said, "I mean, I'm on my way there right now." Based upon this investigation, I know "Smitty" to be **GURNSEY FLAGG** and I know **FLAGG** to live at 1235 Liberte Court in Burlington, New Jersey. Surveillance units observed **MAYS**'s red Kia arrive at 1235 Liberte Court at approximately 10:13 p.m. About two minutes later, **DAWSON** arrived at 1235 Liberte Court in a black Dodge Challenger. **MAYS** and **DAWSON** were observed speaking in the parking lot and then both men approached and entered 1235 Liberte Court. At 10:29, **DAWSON** was observed exiting 1235 Liberte Court, holding an unknown object. He reentered his black Challenger and departed. **MAYS** left shortly thereafter.

114. On September 2, 2019, at approximately 7:47 a.m., an outgoing text was sent from Mays Phone 1 to telephone number ending in 6359, a number known to be used by Nathaniel **MCCOY**. The text read, "Jo man I need two". At 8:13 a.m., **MAYS** sent another text to **MCCOY** that read, "Jo man sorry to hear that you was in the hospital but my people need 2 ASAP if you can't do it let me know ASAP so I can find another route." At 2:15 p.m., **MAYS** sent another text to **MCCOY** that read, "yo man I've been calling you for two days you text me and said you were going to see me this morning now my people they need 2 And you won't respond don't know what's up." Based on this investigation, I believe that **MAYS** repeatedly texted **MCCOY**, in an attempt to order 200 grams of cocaine that he was going to sell to his customers ("I need two," "my people need 2"). At approximately 5:31 p.m., **MCCOY** called **MAYS** and said, "Yo, what's up dude?" **MAYS** responded, "Did you get my text?" **MCCOY** said, "What do you think, like two?" **MAYS** responded, "Yeah, man." **MCCOY** said, "Alright. Give me a minute. I'll call you right back." At approximately 7:03 p.m., **MCCOY** called **MAYS** and said "Alright I'm on my way."

115. On September 2, 2019, at approximately 2:43 p.m., an incoming call was received over **MAYS** Phone 1 from telephone number ending in 2823, wherein **MAYS** had a conversation with Ronnie **DAWSON**. **MAYS** said, "What you holding? The same thing or something different?" **DAWSON** said, "The same thing. Same." **MAYS** said, "Yeah, I need like four of them." **DAWSON** said, "Alright I got you. Give me like 15 minutes." Based upon this investigation, I believe that **MAYS** ordered four grams of crack cocaine from **DAWSON** ("I need like four of them.") Based upon intercepted phone calls, I believe that **MAYS** and **DAWSON** completed the narcotics transaction at **DAWSON**'s at approximately 3:44 p.m. At approximately 4:05 p.m., **MAYS** called **DAWSON** and said, "Yo. Are your eyesight fucked up or are you slightly on the retarded side?" **DAWSON** said, "Why? What's wrong?" **MAYS** said, "I told you I needed four and you gave me 2.67." **DAWSON** said, "Yeah, I know it too. I got to buy a new scale, man. Alright, alright, I'll figure it out." **MAYS** said, "You goddamn right. Yeah. I need that." **DAWSON** said, "Alright. Give me a second while I go buy a new scale." Based upon these intercepted communications, I believe that **MAYS** informed **DAWSON** that he only sold him 2.67 grams of crack cocaine, when **MAYS** had ordered and paid for four grams.

(I needed four and you gave me 2.67). **DAWSON** acknowledged there could be an issue because he was having issues with the scale he used to weigh the drugs; **DAWSON** informed **MAYS** he would be buying a new scale. Later that day, **MAYS** told **DAWSON** he was on his way to **DAWSON's** house to "grab that." Video surveillance confirmed that **MAYS** arrived at **DAWSON's** residence, the Edgewater stash house, at approximately 6:00 p.m. Based upon the intercepted communications, I believe that **MAYS** went to **DAWSON's** house to obtain the remainder of the crack cocaine that **DAWSON** previously under-sold to him.

116. On September 4, 2019, at approximately 11:34 a.m., an incoming call was received over Morton Phone 3 from telephone number ending in 4867, wherein **MORTON** and **PERKINS** had a conversation. In this call, **PERKINS** said, "The white bitch talking about she ready." **MORTON** said, "Aight, well try and direct her here, to the office though or something." **PERKINS** said, "Hold up, so what's the exact, what you call it here? 9000? What's it, 9000? What's the name of the road out there?" **MORTON** then provided a house number and street name consistent with his home address. In a follow-up call at approximately 11:40 a.m., between **PERKINS** and **MORTON**, **PERKINS** said, "Yo, what you want me to do with that money I just, after, after, after she come, after she comes?" **MORTON** said, "Put it in my nightstand." In this call, I believe that **MORTON** told **PERKINS** to send a cocaine customer to his home in Pennsylvania, however, he told **PERKINS** to send her to the common office of the complex, rather than his personal front door. ("Direct her out here, to the office though"). Further, **MORTON** told **PERKINS** to put the proceeds from the cocaine sale into his nightstand. ("Put it in my nightstand").

117. On September 4, 2019, at approximately 7:45 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 2823, wherein **MAYS** and Ronnie **DAWSON** had a conversation. On this call, **MAYS** said, "What, you can't answer me or tell me nothing?" **DAWSON** responded, "Because the mother fucker ain't answering me. But I got a hundred on me. I got a hundred for you if you want that. It's all bricked up. You want me to bring that?" **MAYS** said, "You got a hundred right now?" **DAWSON** said, "Yeah." **MAYS** asked, "Solid?" and **DAWSON** said, "Yes." **MAYS** said, "Alright, man. Yeah, yeah, alright, man. Come on, man."

118. On September 4, 2019, **MAYS** and **MOORE** had multiple conversations about when **MOORE** would arrive in the area. At approximately 7:58 p.m., on an incoming call from **MOORE**, **MAYS** informed him, "Let you know right now. It's gonna be 100." **MOORE** responded, "What you mean?" **MAYS** said, "That it, you know? What I'm saying, instead of 125." **MOORE** said, "He don't have 125?" **MAYS** said, "He don't have 125, he don't got 120. He got 100." **MOORE** said, "Ah, shit. So what's that, four?" **MAYS** said, "Yeah." **MOORE** said "Yeah, alright." Based upon this investigation, I believe **MAYS** informed **MOORE** that he could not obtain their standard amount of 125 grams, and instead, was only about to obtain 100 grams of crack cocaine ("It's gonna be 100," "He don't have 125"). I believe that the 100 that **MAYS** had available, he obtained from **DAWSON** (as discussed in the paragraph above). **MOORE** responded by confirming that the price would then be \$4,000. ("What's that, four?"). Later that night, **MOORE** informed **MAYS** that he would be staying in a local hotel that night and they would complete the transaction later.

119. On September 4, 2019, at approximately 9:42, an outgoing call was placed from Mays Phone 1 to telephone number ending in 8149, wherein **MAYS** and **MORTON** had a conversation. In this call, **MAYS** said, "You. You mean to tell me that you can't make a phone call so a mothafucka can grab a 125?" **MORTON** said, "Um, hold, hold, hold on, man. Cause I gotta see where Ronnie is at cause I got it. It's at the house, but I got to find him. I'mma call you right back." **MORTON** also said, "What, that dude? I thought you said the dude was leaving." **MAYS** responded, "Yeah, but he can't leave now till three o'clock." Based upon this investigation, I believe that after **DAWSON** informed **MAYS** he could only provide 100 grams of cocaine, **MAYS** got into contact with **MORTON**, in an effort to obtain the full 125 grams ordered.

120. On September 4, 2019, at approximately 9:43 p.m., **MAYS** called **MOORE** and said, "I said, my other people called me. Their shit just came in so I might be able to get you the whole 125." **MAYS** told **MOORE**, "He told me he'll probably have it to me within the hour, no later than an hour and a half." **MAYS** also told **MOORE** that he had received the cocaine from another source, but he did not approve of the quality – that "when you went to crush it, it was kinda sticky." **MAYS** explained that because of that, he told another person to come and take that supply of cocaine back. Based upon this investigation, I believe that **MAYS** informed **MOORE** that he could now get him 125 grams of cocaine, as he would be receiving it from **MORTON**. Further, I believe that **DAWSON** did, in fact, drop off the 100 grams of cocaine, but that it was of poor quality. ("It was kinda sticky").

121. On September 4, 2019, at approximately 10:14 p.m., an incoming call was received over Morton Phone 3 from telephone number ending in 2821, wherein **MORTON** had a conversation with Brandon **WATTS**. In this call, **MORTON** said, "When you get to the house, call me. I need you to do something." **WATTS** said, "Alright, I'm parking now. I'mma call you back in a minute." At approximately 10:18 p.m., **WATTS** called **MORTON** back. **MORTON** said, "Look on top of the um, like on top of the refrigerator and uh, it will be like, some bake up there." **WATTS** said, "Yeah I got it." **MORTON** said, "Alright. I need you to put seven in that bag and take seven." **WATTS** said, "Where the um, jawn at?" **MORTON** said, "In the, check the drawer right there. Check one of them drawers right there on top." After **WATTS** located the bag, **WATTS** said, "Alright and you said, you said do what now?" **MORTON** said, "Put seven soda in and take seven all rock tip." **WATTS** said, "Seven and seven." **MORTON** said, "Alright, uh, put what you had took and, and put in my top nightstand drawer." **WATTS** said, "Alright, now, you said do what? You want the bag to go where in your room?" **MORTON** said, "What you took out, the lil seven, put in the top drawer." **WATTS** said, "Alright." **MORTON** said, "And the rest is going into town." **WATTS** said, "And the rest is going where?" **MORTON** said, "Tankards, you going to Tankards." Based upon intercepted communications, I believe that after **MAYS** called **MORTON** looking for the 125 grams, **MORTON** contacted **WATTS** to put the 125 grams together. **MORTON** specifically instructed **WATTS** how to dilute the cocaine with baking soda ("Put seven soda in and take seven all rock tip."). **MORTON** further told **WATTS** to take the seven grams of crack cocaine out of the supply and put it in his nightstand. ("What you took out, the lil seven, put in the top drawer"). Finally, **MORTON** told **WATTS** to deliver the crack cocaine to a bar. ("The rest going into town," and "you going to Tankards.")

122. While **MORTON** was talking to **WATTS** on Morton Phone 3, he was simultaneously speaking to **MAYS** on Morton Phone 2. At approximately 10:22 p.m., **MORTON** called **MAYS** and told him to "go to Tankard right now." **MAYS** said, "Right now? Right this minute?" **MORTON** said, "Yeah." At 10:23 p.m., **MAYS** texted John **PETROVICH** and said, "I'm leaving the house right now got to go get it." Based upon my training and experience, I believe that **MORTON** told **MAYS** to go to a bar to pick up the supply of cocaine from **WATTS**. **MAYS** then told John **PETROVICH** as much. ("I'm leaving the house right now got to go get it").

123. On September 4, 2019, at approximately 10:30 p.m., members of law enforcement conducted surveillance in the area of the bar, in anticipation of **MAYS** obtaining the supply of crack cocaine from **WATTS**, as arranged by **MORTON**. At approximately 10:37 p.m., surveillance arrived and noticed **MAYS**'s red Kia Forte parked on location. At approximately 11:14 p.m. surveillance units observed a silver four door Buick pull into the bar parking lot. Immediately upon parking, an individual, later identified as Brandon **WATTS**, exited the driver's seat of the Buick and walk to the Buick's trunk. **WATTS** obtained a pair of sneakers from the trunk and walked directly to the **MAYS**'s vehicle. At 11:16 p.m., **WATTS** reached **MAYS**'s car and opened the rear passenger door of **MAYS**'s car and placed an item that was inside of the pair of sneakers onto the rear floor of **MAYS**'s car. After doing so, **WATTS** walked directly back to his vehicle and placed the sneakers into the rear passenger side of his car. **WATTS** then entered the bar. At 11:16 p.m., **MAYS** left the parking lot. At 11:32 p.m., **WATTS** exited the bar, got into his vehicle, and left the area.

124. At 11:18 p.m., **MAYS** and April **BRANSON** had a conversation, wherein **MAYS** said, "This mother fucker just came." **MAYS** then said, "Shit, now I gotta go to the house. I gotta throw the bitch together, then I gotta go all the way to Bordentown." **BRANSON** said, "I'm sure it'll be worth it." **MAYS** said, "If you said \$400 is worth it, then I guess it is." **MAYS** then said, "But anyway, let me get on back." **BRANSON** said, "I'm just saying, you are you trying to hand up the phone?" **MAYS** responded, "Oh, because listen. When I'm dirty the way that I'm dirty, I like to stay focused on the road so I can see everything and hear everything. Because I'm not riding around with no five or six on me. I'm riding around with some shit I can't hide. That's why." **BRANSON** said, "I said I understand." Based upon this investigation, and my training and experience, I believe that **MAYS** informed **BRANSON** that after he obtained the cocaine, he had to go back to his house and cook it into crack cocaine, before then delivering it to Craig **MOORE** in Bordentown ("Now I gotta go to the house. I gotta throw the bitch together, then I gotta go all the way to Bordentown."). **MAYS** further told **BRANSON** that he wanted to get off of the phone because he had a large amount of cocaine on him and needed to concentrate, so as to avoid police detection. ("When I'm dirty the way that I'm dirty, I like to stay focused on the road so I can see everything and hear everything. Because I'm not riding around with no five or six on me. I'm riding around with some shit I can't hide).

125. At approximately 11:40 p.m., an outgoing call was placed from Mays Phone 1 to Morton Phone 3, wherein **MAYS** and **MORTON** had a conversation. **MAYS** said, "Yo Fats." **MORTON** said, "Hold on, what you say?" **MAYS** said, "117." **MORTON** said, "Oh, it wasn't 125?" **MAYS** said, "Nah, 117. I just weighed it." Based upon this conversation and other intercepted communications, I believe that **MAYS** complained to **MORTON** that the cocaine he

purchased only weighed 117 grams, despite paying for 125 grams. In subsequent communications, **MORTON** contacted **WATTS** to determine the error and learned that **WATTS** had improperly bagged the cocaine.

126. At approximately 1:18 a.m. on September 5, 2019, an outgoing call was placed on Mays Phone 1 to telephone number ending in 7688, wherein **MAYS** and **MOORE** again spoke. In this call, **MOORE** informed **MAYS** of his hotel room number and told **MAYS** to come in when he arrived. Based upon the investigation, I believe that **MAYS** and **MOORE** completed the transaction inside of this hotel room.

127. On September 5, 2019, at approximately 3:54 a.m., an incoming text message was received over Mays Phone 1 from telephone number ending in 2256, a phone number known to be used by Samantha **BOHLERT**, who texted, "Can you please make it a twenty and a forty" and **MAYS** responded, "Ok". **BOHLERT** then texted, "Ty and hate to be a pest but as quickly as possible. They driving me nuts." At approximately 4:07 a.m., **BOHLERT** texted, "Ok I'll be outside in about twelve minutes" Based upon the overall investigation, I believe that **BOHLERT** ordered \$20 worth and \$40 worth of crack cocaine ("A twenty and a forty"). Further, I believe that **BOHLERT** intended to deliver at least a portion of this crack cocaine to other individuals. ("Hate to be a pest but as quickly as possible. They driving me nuts.").

128. On September 6, 2019, at approximately 12:02 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 0948, wherein **MAYS** had a conversation with Roniffe **GAINES**. On this call, **GAINES** said, "Ya heard me? I ain't got not work. I'm about to go get some." **MAYS** said, "Oh, you ain't got no work?" **GAINES** said, "Hell no, I ran out last night." **GAINES** then told **MAYS** that he was going to pick up more. Based upon my training and experience, I know that "work" refers to a supply of narcotics. In this case, I believe that **GAINES** informed **MAYS** that he no longer had any more crack cocaine to sell because he sold the last of his supply the night before. ("I ran out last night."). **MAYS** called **GAINES** at 12:20 p.m. and said, "Yo, did you leave already?" **GAINES** said, "No, I'm waiting on my ride." **MAYS** said, "Oh, yeah, yeah, cause I want to give you some money so you can pick me up ten." **GAINES** said, "Aight, I'm at the crib." Based upon this investigation, I believe that **MAYS** told **GAINES** that he would give him money to pick up ten grams of cocaine for him. ("I want to give you some money so you can pick me up ten.").

Later that night, **MAYS** and **THIGPEN** exchange multiple phone calls about when **THIGPEN** would be ready to meet **MAYS**. Based upon the intercepted communications, I believe that **MAYS** completed the narcotics purchase with **THIGPEN** shortly after 8:00 p.m.

130. On September 6, 2019, at approximately 8:44 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 1610, wherein **MAYS** had a conversation with Mecca **GRANT**. On this call, **GRANT** said, "You got good yet?" **MAYS** responded, "I'm good. I just ain't home yet." **GRANT** said, "So how long you gonna be? Cause I'm in the area." **MAYS** said, "Well right now, I'm coming off the Betsy Ross Bridge." **GRANT** said, "I need like a 40. How long you gonna be?" **MAYS** responded, "I just came off the Betsy Ross Ridge. You figure it out." At approximately 9:13 p.m., **GRANT** again called **MAYS**, who said, "I'm home. I'm doing it right now." **GRANT** said, "Ok, so how long you be?" **MAYS** said, "Alright, so let me finish up. I'mma call you." At approximately 9:17 p.m., **GRANT** again called **MAYS**, who said, "Alright babe. I just finished (unintelligible) out this glass, drying off. I'mma put it in a B A G and then I'm gonna come to you." Based upon these intercepted communications, I believe that **GRANT** ordered \$40 worth of crack cocaine ("I need like a 40") and that **MAYS** and **GRANT** had multiple conversations as to when it would be ready. **MAYS** informed **GRANT** that he was in the process of cooking it into crack cocaine and then would deliver it to her. ("I'm doing it right now," "Let me finish up," "Drying off").

131. On September 6, 2019, at approximately 11:10 p.m., an incoming call was received over **MAYS** Phone 1 from telephone number ending in 8629, wherein **MAYS** and Tracy **WILLIAMS** had a conversation. On this call, **WILLIAMS** said, "I need 60." **MAYS** responded, "Well, call me when you on the block." **WILLIAMS** said, "I'm on the block." **MAYS** said, "Smitty in front of my driveway. How long it take you?" **WILLIAMS** said, "Three minutes." **MAYS** said, "Alright. I'mma send Johnny outside." Based upon this investigation, I believe that **WILLIAMS** ordered \$60 worth of crack cocaine from **MAYS** ("I need 60") and that **MAYS** agreed to sell it to him. **MAYS** further told **WILLIAMS** that Gurnsey **FLAGG** ("Smitty") was parked in front of his house and that he would be sending **PETROVICH** out to deliver the crack cocaine to him. ("I'mma send Johnny outside.")

132. On September 7, 2019, at approximately 12:12 p.m., an incoming text message was received over **MAYS** Phone 1 from telephone number ending in 6987, a number known to be used by Anthony **PRUITT**. This text read, "Yard and 50 separate." He then texted "Chucky monkey." **MAYS** responded, "OK I'm calling my people now call you later." Based upon prior intercepted communications and my training and experience, I know that Anthony **PRUITT** ordered 100 grams of crack cocaine ("yard" and "chucky monkey") and fifty grams of crack cocaine ("50") and that he wanted them bagged up separately. I know that when drug dealers say they want it "chunky," that means they want the cocaine in crack cocaine form.

133. On September 7, 2019 at approximately 12:25 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 4014, wherein **MAYS** had a conversation with Julius **THIGPEN**. On that call, **MAYS** said, "So I'm calling to find out. Can I get a 150? A 56? That's \$38." **THIGPEN** responded, "Fifty six, uh, hold on. Yes. I'll do it." **MAYS** said, "Listen, listen. I got 1900 in my pocket now. So I can give you that as soon as they get here. I'll bring you the rest back. I could bring you back, um, I got nineteen. I got to bring you back, uh, thirty, thirty thirty, thirty, thirty-seven." **THIGPEN** and **MAYS** then discuss the time they will meet, and **THIGPEN** said, "Call me in 45 minutes on my way down there and I'll just meet you, alright?" **MAYS** said, "Alright then, cool. Alright." Based upon this communication and the entire investigation, I believe that **MAYS** contacted **THIGPEN** to obtain the 150 grams of crack

cocaine that was previously ordered by **PRUITT**. **MAYS** indicated that he would pay \$5600 for the 150 grams, as that would be \$38.00 per gram. ("Can I get 150? A 56? That's \$38). Throughout the rest of the afternoon, **THIGPEN** and **MAYS** and **PRUITT** and **MAYS** exchanged phone calls and text messages about the time of the transaction. At approximately 6:39 p.m., a black Dodge Ram was observed as it arrived at **MAYS**'s residence. Officers later identified the driver of the Dodge Ram to be Julius **THIGPEN**. **THIGPEN** and a passenger entered **MAYS**'s residence.

134. At approximately 6:40 p.m., an outgoing call was made from **MAYS** to **PRUITT** where **MAYS** said, "Come on man. Nigga finally got here." **PRUITT** said, "Alright, give me a couple minutes." At approximately 6:51 p.m., surveillance officers observed **PRUITT**, driving a red Nissan Versa, arrive at **MAYS**'s residence. A female exited the passenger side of the vehicle and entered **MAYS**'s house; she exited **MAYS**'s house one minute later and reentered **PRUITT**'s car. **PRUITT** then left **MAYS**'s house.

135. On September 8, 2019, at approximately 2:09 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 4014, wherein **MAYS** had a conversation with Julius **THIGPEN**. On this call, **THIGPEN** said, "I got pull over last night on Rancocas Road, when I passed the Jewish synagogue, right? The cop let me get all the way past Millcreek, then pulled me over, right? He gonna tell me I can't have that thing on my license plate that say "RAM." You can't read your plate, right? He's just fucking with me cause I have Pennsylvania tags, man." **MAYS** said, "Oh yeah?" **THIGPEN** said, "Yeah." **MAYS** said, "Yo, listen. On Tuesday, I'm gonna need 400." **THIGPEN** said, "Ok." **MAYS** said, "Alright? I'm telling you now, alright?" **THIGPEN**, said "alright."

136. On September 9, 2019, at approximately 4:30 p.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 4014, wherein **MAYS** had a conversation with Julius **THIGPEN**. On this call, **MAYS** said, "Yo. Listen to me big dog. Better count this up I got like 15, I don't know 15 to, 15 something like that, racks, uh, you think we can go back down to that number you gave to me before? The uh, the uh, 47 for the, for the Jo?" **THIGPEN** responded, "You got 15?" **MAYS** said, "I gotta go down to the house to come, come get it. He told me to, he had, uh, like 15 and something. So that's like 25 racks. I'm gonna give you in two days, so you know, if you feel me?" **THIGPEN** said, "I need 47, do it 47." **MAYS** said, "So, if I got three, Then I need 15, three. That's 47." **THIGPEN** said, "Right." **MAYS** said, "Ok, first off let me go down here and uh, and uh grab this money so I can have it in my hands and then we can talk on my way over there." Based upon this conversation, I believe that **MAYS** and **THIGPEN** discussed quantities of narcotics and the corresponding price for such a narcotics transaction. **MAYS** called **THIGPEN** back at approximately 5:22 and said, "Yo man, it's gonna be, it's gonna be, it's gonna be three. I got fifteen - three. Alright?" **THIGPEN** said, "Alright when you coming man?" **MAYS** responded, "I'm getting ready to come right now." Based upon this follow up conversation, I believe that **MAYS** confirmed he would purchase 300 grams of cocaine from **THIGPEN** ("It's gonna be three."). Based upon follow up phone calls, I believe that **MAYS** met **THIGPEN** in Philadelphia around 7:30 p.m. and completed the transaction for 300 grams of cocaine.

137. On September 10, 2019, at approximately 3:23 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 2953, wherein **MAYS** had a

conversation with Rufus **WILLIAMS**. In this call, **WILLIAMS** said, "Got new thing, right? (Unintelligible) and the sink, walked away and the goddamn nozzle moved, went in the thing and flooded most of it out!" **MAYS** said, "Goddamn." **WILLIAMS** said, "I was like what the A! He said I can't complain, because it was all on me. I couldn't believe I did some dumb shit like that." **MAYS** said, "Mhm." **WILLIAMS** said, "Yo this, dude, it's salvageable, but, but you know." Based upon this conversation, I believe that **WILLIAMS** was cooking powder cocaine into crack cocaine, but accidentally let the water overflow into the powder cocaine. ("the goddamn nozzle moved, went in the thing and flooded most of it out!").

138. On September 11, 2019, at approximately 11:04 p.m., an incoming text message was received over Mays Phone 1 from telephone number ending in 1610, a number known to be used by Mecca **GRANT**, which read, "40 cents." In a follow up telephone call, **MAYS** said "Are you at Sports Paradise?" **GRANT** said, "Yeah, how long?" **MAYS** said, "Johnny be there in six minutes." At approximately 12:15 a.m., **MAYS** called John **PETROVICH** and said, "Yo. Do you see her?" **PETROVICH** said, "I called her. She said she's at the McDonald's. She's turning around. I am not sitting in that parking lot all that time." **MAYS** then called **GRANT** and said, "Where the fuck are you?" **GRANT** responded, "7-11 at the light." **MAYS** said, "Alright. Let me tell Johnny to come back down." At 12:22 a.m., **PETROVICH** called **MAYS** and said, "I got her." Based upon this investigation, I believe **GRANT** ordered \$40 worth of crack cocaine ("40 cents") and that **MAYS** sent John **PETROVICH** to deliver it to her. ("Johnny be there in 6 minutes").

139. On September 12, 2019, at approximately 9:38 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 7688, wherein **MAYS** had a conversation with Craig **MOORE**. On this call, **MOORE** talks about changing banks so that he and **MAYS** would have the same bank. **MOORE** said, "You got TD right now, so I need to get a TD." **MAYS** said, "Yeah." **MOORE** said, "I trying to make it easier so then I can always send it to you cause I know you'll have my shit when I get there and I ain't gotta worry about it when the good shit comes." **MAYS** said, "Exactly." In this call, **MOORE** explains that he will likely be in the New Jersey area next week and they will arrange a transaction. **MOORE** said, "I'll call you the day before like when I'm in Massachusetts and I know it's gonna take me a day or so to get there. I'll just come and you just do your bagging." Based upon the within investigation, I believe that **MAYS** and **MOORE** discussed ways to make future drug transactions easier by using the same bank to move money between accounts. (You got TD right now, so I need to get a TD."). Further, **MOORE** told **MAYS** he will likely be in New Jersey to pick up another package of crack cocaine next week.

140. On September 13, 2019, at approximately 7:35 p.m., an incoming call was received over Mays Phone 1 from telephone number ending in 0339, wherein **MAYS** and Linford **JOHNSON** had a conversation. On this call, **JOHNSON** said, "I'm back in motion a little bit" **MAYS** said, "Oh yea?" **JOHNSON** said, "I got this new dude I want you to check out for me. His numbers is crazy right now cause I'm only dabbing a little bit but it gets sweeter if I grab heavy. Like when your boys call you." **MAYS** said, "So what you talking?" **JOHNSON** said, "Um, we can probably do the same as we was, when them boys called you. They want to grab heavy or whatever. I want you to check it out." **MAYS** said, "Where you at?" **JOHNSON** said, "I was going to come over there so you could put it together for me." **MAYS** said, "Oh

alright” Based upon this investigation, I know that **JOHNSON** is a supplier of large quantities of cocaine. In recent weeks, **JOHNSON** had been unavailable to supply **MAYS** with his large-scale orders. However, in this phone call, I believe **JOHNSON** informed **MAYS** that he had a new supplier who he wanted to start working with (“I got this new dude I want you to check out for me.”). He asked **MAYS** to use him in the future for his larger orders. Further, **JOHNSON** said he was going to **MAYS** house so that **MAYS** could cook up the cocaine currently in **JOHNSON**’s possession into crack cocaine (“I was going to come over there so you could put it together for me.”)

141. On September 14, 2019, at approximately 12:39 a.m., an incoming call was received over Mays Phone 1 from telephone number ending in 3206, wherein **MAYS** had a conversation with Gurnsey **FLAGG**. On this call, **MAYS** said, “Juice do it the same way you do it, babe. What the fuck?” **FLAGG** said, “What, waiting?” **MAYS** said, “I’m saying. He doing the same thing you and me doing. The same way me and you do it, he doing it, too.” **FLAGG** said, “Oh yeah? (unintelligible).” **MAYS** said, “I ain’t talking about smoking. I’m talking about hand to hand.” **FLAGG** said, “Oh shit.” **MAYS** said, “He talking about a \$50 a piece. I’m like, all man, you doing the same thing I’m doing. I said man, when you called me I thought you was back. He was like no, I’m trying to get back.” **FLAGG** said, “Oh shit, you didn’t fuck with it.” **MAYS** said, “Oh, I told him. He said, Unc, I ain’t taking no less than 47. He said I’m hurting, so I just grabbed two, that’s all.” **FLAGG** said, “Is that all for me?” **MAYS** said, “I don’t know a goddamn thing. How the fuck I was going to know what you was going to do? I didn’t know you want going to pay no \$47.” **FLAGG** said, “So you can’t get one now?” **MAYS** said, “Man, I left that motherfucker. I’ ready to pull up at home.” **FLAGG** said, “You didn’t, one of them dope?” **MAYS** said, “Tell you what though. I’ll go sell. Murder wanted one. You give me \$50, I give you.” **FLAGG** said, “Yeah, man, shit. If Murder still wants one, I got Boo’s shit for Murder.” **MAYS** said, “Oh I got that.” **FLAGG** said, “Oh, alright, I’ll be there man.” Based upon this investigation, I believe that after talking to Linford **JOHNSON** (“Juice”), **MAYS** called **FLAGG** to tell him that **JOHNSON** was now selling individual grams (“He doing the same thing you and me doing,” “I’m talking about hand to hand,” and “He talking about \$50 a piece.”). Additionally, **MAYS** told **FLAGG** that Shameke **FOWLER** (“Murder”) wanted a gram of crack cocaine. **FLAGG** offered to sell **FOWLER** a gram from Ronnie **DAWSON**’s stash (“I got Boo’s shit for Murder.”)

142. On September 14, 2019, at approximately 11:09 a.m., an outgoing call was placed over Mays Phone 1 to telephone number ending in 4014, wherein **MAYS** had a conversation with Julius **THIGPEN**. In this call, **THIGPEN** said, “What is it? 200 or 1?” **MAYS** responded, “No, no, no, the other guy.” **THIGPEN** said, “So what is it? What is it?” **MAYS** said, “A point, a point.” **THIGPEN** said, “Alright.” Based upon prior communications, I know that **MAYS** previously took an order for 125 grams from Anthony **PRUITT** and **MAYS** asked **THIGPEN** to fill the order. (“The other guy,” and “a point”). At approximately 11:27 a.m., an incoming call was received over **MAYS** Phone 1 from telephone number 609-356-6987, wherein **MAYS** had a conversation with Anthony **PRUITT**. On this call, **PRUITT** said, “I just sent you a text. Yeah, that’s exactly what it is. Um, how long he say he gonna be?” **MAYS** said, “I’ll let you know in a minute.” After hanging up with **MAYS**, **PRUITT** immediately texted **MAYS** and said, “Make sure it’s the same.”

143. At approximately 12:28 p.m., an outgoing call was sent to Anthony **PRUITT**, where **MAYS** told him, "He about, he about 25 minutes away. And it's the same; identical." **PRUITT** said, "You said its ok? Identical? Alright." Video surveillance confirmed that **THIGPEN** arrived at **MAYS**'s residence at 2:12 p.m. Based upon intercepted communications, I believe that **PRUITT** picked up 125 grams of cocaine at approximately 2:30 p.m. from **MAYS**'s residence. Additionally, electronic surveillance confirmed that **PRUITT** arrived at **MAYS**'s house around 2:30 p.m. At approximately 2:36 p.m., **MAYS** was observed leaving his house, and walking to **PRUITT**'s car. **MAYS** then entered the back seat of **PRUITT**'s car for a few seconds. At approximately 2:37 p.m., **PRUITT** left **MAYS**'s house. At approximately 2:56 p.m., **THIGPEN** left **MAYS**'s house.

144. On September 14, 2019, at approximately 3:27 p.m., **MAYS** called **THIGPEN** and said, "We gonna have a problem." **THIGPEN** said, "What's the problem?" **MAYS** said, "You remember I just told you. I said, man, something, it ain't right. I cooked up, uh, certain amount I got bad. Well, maybe I ain't do it right, maybe I ain't weigh it right. Well, I did it again and the same thing happened again. I lost half of it." **THIGPEN** said, "How you gonna, you lose half of it?" **MAYS** said, "I'm tell you, the fuck I did, Jul. You might, I just told you. I said, I said, came back one 6 and I put 1.2 in there. I said, maybe I ain't weigh it right or whatever." **THIGPEN** said, "You put one in there?" **MAYS** said, "I put 1.2 in the first time when you as here. I got back one 6, that's half. Now, I just put one in there, and I got back .5, so that nigga dropped that shit man." Based upon this phone call and my training and experience, I believe that **MAYS** informed **THIGPEN** that when he tried to cook the powder cocaine he supplied into crack cocaine, he did not get back the expected weight. ("I lost half of it."). **MAYS** told **THIGPEN** that he believed that **THIGPEN**'s supplier diluted the cocaine. ("That nigga dropped that shit man").

145. On September 16, 2019, at approximately 5:04 p.m., an outgoing call was placed over Mays Phone 1 to telephone number 267-456-4014, wherein **MAYS** and **THIGPEN** had a conversation. On this call, **MAYS** said, "Apparently, apparently it had to be because apparently dude just dropped his shit and he called me, he told me he lost 14. But I'm like, I'm saying to myself, how the fuck he take 14 off a hundred and something, and the piece, the piece I took out, goddamn it, I lost." **THIGPEN** said, "Now, listen here, man. Hold on. Um, you stop through tomorrow right, I'mma give you something to check out, know what I mean? Alright?" **MAYS** said, "Alright." **THIGPEN** said, "I'mma give you 14 soft, you know?" **MAYS** said, "Alright, I'll call you tomorrow." **THIGPEN** said, "Ok, alright, and just give him, what, you know seven, and you keep seven, alright?" Based upon this investigation, I believe that **MAYS** informed **THIGPEN** that, not only did he lose a portion of the cocaine when he cooked it into crack cocaine, but that **PRUITT** did also. ("He called me, he told me he lost 14.") I believe that **THIGPEN**, in an attempt to make things right, agreed to give **MAYS** 14 grams of powder cocaine to split between him and **PRUITT**. ("I'mma give you 14 soft.").

146. On September 16, 2019, at approximately 8:26 p.m. an incoming call was received over Mays Phone 1 from telephone number 609-793-3478, another phone number believed to be used by Andre **MORTON**. On this call, **MAYS** said, "You was coming first, because I had five of them things left. I was holding them because I was giving them to you. I got to give you another 200." **MORTON** said, "I missed it. I don't have no money, bro. Now, I

told you that, you know my situation. The shit is suppose to be right. You talk, talk shit about the shit, but the money should have been there, or else.” **MAYS** said, “Can you let me finish what I’m saying? I said, I had five of them left. Homeboy swing through last night and I gave him four and three. He had money for it.” **MORTON** said, “Yeah.” **MAYS** said, “Yeah, I got you tomorrow.” Based upon this investigation, I believe that **MAYS** informed **MORTON** that he had a small quantity of crack cocaine left (“I had five of them things left”) and that he sold it the night before (“I gave him four and three. He had money for it”). As a result of this sale, I believe that **MAYS** now had money to return to **MORTON**. (“The money s hould have been there or else” “I got you tomorrow”).

147. Through the course of this investigation, law enforcement has seized cocaine from transactions conducted by CHSs, monitored intercepted communications regarding the amounts of cocaine being sold, and surveilled numerous transactions between co-conspirators which corresponded to intercepted communications. As a result, law enforcement has concluded that, in total, the members of the conspiracy did distribute and possess with intent to distribute more than five kilograms of cocaine, and more than 280 grams of cocaine base, or crack cocaine.

#### **IV. CONCLUSION**
