TO: Users of the South Dakota Victim Services Directory

February 10, 2023

Greetings,

Enclosed please find the sixth edition of the South Dakota Victim Services Directory. We have endeavored to gather into one document all of the public services available throughout the State. Accordingly, if you are searching for services for victims in South Dakota, this is the place to look.

Within the Directory, you will find a quick-reference chart for domestic violence, sexual assault, and victim assistance programs, which sets forth the services offered by various programs as well as their locations and telephone numbers. The Directory also contains information on crisis hotlines, advocates for rape victims, support groups, social services, drug and alcohol treatment programs, mental health centers, legal aid, and local law enforcement organizations such as police departments, sheriffs' offices, state's attorneys' offices, and victim assistance programs.

Please consider copying sections of the Directory pertaining to your reservation or county and sharing that information with clients, victims, or other agencies. We hope this information can benefit everyone who lives in South Dakota.

Sincerely,

A handwritten signature in blue ink that reads "Alison J. Ramsdell".

SOUTH DAKOTA CRIME VICTIMS' COMPENSATION PROGRAM

If you are an innocent victim of a violent crime or you have suffered physical injury as a result of:

- a criminal attack
- trying to stop a person committing a crime
- trying to help a law enforcement officer
- trying to help a victim of crime
- witnessing a violent crime

You may file a claim for compensation from the South Dakota Crime Victims' Compensation Program. However, not all crimes or expenses are covered. Compensation may be available for expenses incurred as a direct result of the criminal acts of another person. Examples of expenses covered under the law include:

- medical care
- rehabilitation
- funeral expense
- work loss
- dental expenses
- child care cost
- mental health care

Property loss and pain and suffering are not compensable. **The crime must have occurred on or after July 1, 1992**, and must be reported to law enforcement within five days of its occurrence or when a report could have reasonably been made. **Federal crime victims are eligible to apply for compensation whether or not the crime falls under tribal, state, or federal jurisdiction.**

Emergency payments up to \$1,000 may be made under extraordinary circumstances if it is likely the victim/family would suffer undue hardship if payment were not forthcoming. An award may be made for immediate verifiable needs as a result of loss of income or support, emergency medical expenses, or funeral expenses. Maximum payment for any one claim is \$15,000.
