I. RECITALS

WHEREAS, Plaintiff the United States of America (the “United States”), on behalf of the Environmental Protection Agency (“EPA”), filed a Complaint against Defendant Accolade Construction Group Inc. (“Accolade” or “Defendant”), alleging that Accolade repeatedly violated the Toxic Substances Control Act (“TSCA”) and related regulations promulgated by the EPA and codified at 40 C.F.R. Part 745, Subpart E (the “Renovation, Repair, and Painting Rule” or “RRP Rule”);

WHEREAS, the Complaint requests that the Court (1) enter an order restraining Accolade from performing any renovation work subject to TSCA and the RRP Rule until it can demonstrate compliance with TSCA and the RRP Rule; (2) enter a permanent injunction compelling Accolade to comply with TSCA and the RRP Rule; and (3) order Accolade to disgorge all proceeds from the conduct alleged in this complaint, together with prejudgment interest thereon;

WHEREAS, Faisal Ahmed, the sole owner of Accolade, agrees to join this Consent Decree in his personal capacity (“Ahmed” and, collectively with Accolade, the “Settling Accolade Parties,” as described more particularly below);

WHEREAS, the Parties agree that settlement of this case is in the public interest and that entry of this Consent Decree is the most appropriate means of resolving the claims asserted by the United States under TSCA against Accolade as specifically set forth in the Complaint; and

WHEREAS, the Court finds that this Consent Decree is a reasonable and fair settlement of the claims asserted by the United States under TSCA against Accolade as specifically set forth in the Complaint and that this Consent Decree is fair, reasonable, and consistent with the public interest;

NOW, THEREFORE, with the consent of the Parties, it is hereby ORDERED, ADJUDGED and DECREED as follows:

II. JURISDICTION AND VENUE

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and Section 17 of TSCA, 15 U.S.C. § 2616.

2. Venue is proper in the Southern District of New York pursuant to 15 U.S.C. § 2616(a)(2) and 28 U.S.C. §§ 1391(b) and (c) and 1395(a) because the events giving rise to the claims in the Complaint arose in this district and because Accolade resides and has its principal place of business in this district.

3. For purposes of this Consent Decree, or any action or proceeding to enforce this Consent Decree, the Settling Accolade Parties consent to venue in the Southern District of New York and to this Court's jurisdiction over this Consent Decree, over any such action or proceeding, and over the Settling Accolade Parties.

4. For purposes of this Consent Decree, the Settling Accolade Parties agree that the Complaint states claims against Accolade upon which relief may be granted.

- c. Each of these apartment buildings was built before 1978 and is covered by TSCA and the RRP Rule.

Days 11-20	\$2,000
Days 21 and thereafter:	\$3,000

- b. For each of Paragraphs 25 and 32 of the Consent Decree, the total stipulated penalty shall not exceed \$10,000 per building for each Renovation.

47. Stipulated penalties under this Section shall begin to accrue on the Day after performance is due or on the Day a violation occurs, whichever is applicable, and shall continue to accrue until performance is satisfactorily completed or until the violation ceases. Stipulated penalties shall accrue simultaneously for separate violations of this Consent Decree.

48. The Settling Accolade Parties shall pay any stipulated penalty within 30 Days of receiving the United States' written demand. The United States may in the unreviewable exercise of its discretion, reduce or waive stipulated penalties otherwise due it under this Consent Decree.

49. Stipulated penalties shall continue to accrue as provided in Paragraph 67, during any Dispute Resolution, but need not be paid until the following:

- a. If the dispute is resolved by agreement or by a decision of EPA that is not appealed to the Court, the Settling Accolade Parties shall pay accrued penalties determined to be owing, together with interest, to the United States within 30 Days of the effective date of the agreement or the receipt of EPA's decision or order.

- b. If the dispute is appealed to the Court and the United States prevails in whole or in part, the Settling Accolade Parties shall pay all accrued penalties determined by the Court to be owing, together with interest, within 60 Days of receiving the Court's decision or order, except as provided in subparagraph c, below.
- c. If any of the Parties appeal the District Court's decision, the Settling Accolade Parties shall pay all accrued penalties determined to be owing, together with interest, within 15 Days of receiving the final appellate court decision.

50. The Settling Accolade Parties shall pay stipulated penalties owing to the United States in the manner set forth and with the confirmation notices required by Paragraph 43, except that the transmittal notice shall state that the payment is for stipulated penalties and shall state for which violation(s) the penalties are being paid.

51. If the Settling Accolade Parties fail to pay stipulated penalties according to the terms of this Consent Decree, the Settling Accolade Parties shall be liable for Interest on such penalties, as provided for in 28 U.S.C. § 1961, accruing as of the date payment became due. Nothing in this Paragraph shall be construed to limit the United States from seeking any remedy otherwise provided by law for the Settling Accolade Parties' failure to pay any stipulated penalties.

52. The payment of penalties and Interest, if any, shall not alter in any way the Settling Accolade Parties' obligation to complete the performance of the requirements of this Consent Decree.

53. Non-Exclusivity of Remedy. Stipulated penalties are not the United States' exclusive remedy for violations of this Consent Decree. Subject to the provisions of Section VI (General Provisions), the United States expressly reserves the right to seek any other relief it deems appropriate for the Settling Accolade Parties' violation of this Decree or applicable law,

including but not limited to an action against the Settling Accolade Parties for disgorgement, statutory penalties, additional injunctive relief, mitigation or offset measures, and/or contempt.

54. The Settling Accolade Parties shall not deduct any penalties paid under this Section in calculating their federal income tax.

XI. FORCE MAJEURE

55. “Force Majeure,” for purposes of this Consent Decree, is defined as any event arising from causes beyond the control of the Settling Accolade Parties, of any entity controlled by the Settling Accolade Parties, or of the Settling Accolade Parties’ Contractors or Subcontractors, that delays or prevents the performance of any obligation under this Consent Decree despite the Settling Accolade Parties’ best efforts to fulfill the obligation. The requirement that the Settling Accolade Parties exercise “best efforts to fulfill the obligation” includes using best efforts to anticipate any potential Force Majeure event and best efforts to address the effects of any potential Force Majeure event (a) as it is occurring and (b) following the potential Force Majeure, such that the delay and any adverse effects of the delay are minimized. “Force Majeure” does not include the Settling Accolade Parties’ financial inability to perform any obligation under this Consent Decree.

56. If any event occurs or has occurred that may delay the performance of any obligation under this Consent Decree, whether or not caused by a Force Majeure event, the Settling Accolade Parties shall provide notice orally or by electronic or facsimile transmission to EPA, within 72 hours of when the Settling Accolade Parties first knew that the event might cause a delay. Within seven days thereafter, the Settling Accolade Parties shall provide in writing to EPA an explanation and description of the reasons for the delay; the anticipated duration of the delay; all actions taken or to be taken to prevent or minimize the delay; a schedule for

implementation of any measures to be taken to prevent or mitigate the delay or the effect of the delay; the Settling Accolade Parties' rationale for attributing such delay to a Force Majeure event if it intends to assert such a claim; and a statement as to whether, in the opinion of the Settling Accolade Parties, such event may cause or contribute to an endangerment to public health, welfare or the environment. The Settling Accolade Parties shall include with any notice all available documentation supporting the claim that the delay was attributable to a Force Majeure. Failure to comply with the above requirements shall preclude the Settling Accolade Parties from asserting any claim of Force Majeure for that event for the period of time of such failure to comply, and for any additional delay caused by such failure. The Settling Accolade Parties shall be deemed to know of any circumstance of which the Settling Accolade Parties, any entity controlled by the Settling Accolade Parties, or the Settling Accolade Parties' Contractors or Subcontractors knew or should have known.

57. If EPA agrees that the delay or anticipated delay is attributable to a Force Majeure event, the time for performance of the obligations under this Consent Decree that are affected by the Force Majeure event will be extended by EPA for such time as is necessary to complete those obligations. An extension of the time for performance of the obligations affected by the Force Majeure event shall not, of itself, extend the time for performance of any other obligation. EPA will notify the Settling Accolade Parties in writing of the length of the extension, if any, for performance of the obligations affected by the force majeure event.

58. If EPA does not agree that the delay or anticipated delay has been or will be caused by a Force Majeure event, EPA will notify the Settling Accolade Parties in writing of its decision.

59. If the Settling Accolade Parties elect to invoke the dispute resolution procedures set forth in Section XII (Dispute Resolution), they shall do so no later than 15 days after receipt of EPA's notice. In any such proceeding, the Settling Accolade Parties shall have the burden of demonstrating by a preponderance of the evidence that the delay or anticipated delay has been or will be caused by a Force Majeure event, that the duration of the delay or the extension sought was or will be warranted under the circumstances, that best efforts were exercised to avoid and mitigate the effects of the delay, and that the Settling Accolade Parties complied with the requirements of Paragraphs 56 and 57. If the Settling Accolade Parties carry this burden, the delay at issue shall be deemed not to be a violation by the Settling Accolade Parties of the affected obligation of this Consent Decree identified to EPA and the Court.

XII. DISPUTE RESOLUTION

60. Unless otherwise expressly provided for in this Consent Decree, the dispute resolution procedures of this Section shall be the exclusive mechanism to resolve disputes arising under or with respect to this Consent Decree. The Settling Accolade Parties' failure to seek resolution of a dispute under this Section shall preclude the Settling Accolade Parties from raising any such issue as a defense to an action by the United States to enforce any obligation of the Settling Accolade Parties arising under this Decree.

61. Informal Dispute Resolution. Any dispute subject to Dispute Resolution under this Consent Decree shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when the Settling Accolade Parties send the United States a written Notice of Dispute. Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed 20 Days from the date the dispute arises, unless that period is modified by written agreement. If the Parties cannot resolve a dispute by informal

negotiations, then the position advanced by the United States shall be considered binding unless, within 15 Days after the conclusion of the informal negotiation period, the Settling Accolade Parties invoke formal dispute resolution procedures as set forth below.

62. Formal Dispute Resolution. The Settling Accolade Parties shall invoke formal dispute resolution procedures, within the time period provided in the preceding Paragraph, by serving on the United States a written Statement of Position regarding the matter in dispute. The Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting the Settling Accolade Parties' position and any supporting documentation relied upon by the Settling Accolade Parties.

63. The United States shall serve its Statement of Position within 45 Days of receipt of the Settling Accolade Parties' Statement of Position. The United States' Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting that position and any supporting documentation relied upon by the United States. The United States' Statement of Position shall be binding on the Settling Accolade Parties, unless the Settling Accolade Parties file a motion for judicial review of the dispute in accordance with the following Paragraph.

64. The Settling Accolade Parties may seek judicial review of the dispute by filing with the Court and serving on the United States, in accordance with Section XV (Notices), a motion requesting judicial resolution of the dispute. The motion must be filed within ten Days of receipt of the United States' Statement of Position pursuant to the preceding Paragraph. The motion shall contain a written statement of the Settling Accolade Parties' position on the matter in dispute, including any supporting factual data, analysis, opinion, or documentation, and shall

set forth the relief requested and any schedule within which the dispute must be resolved for orderly implementation of the Consent Decree.

65. The United States shall respond to the Settling Accolade Parties' motion within the time period allowed by the Local Rules of this Court. The Settling Accolade Parties may file a reply memorandum, to the extent permitted by the Local Rules.

66. Standard of Review

- a. Disputes Concerning Matters Accorded Record Review. Except as otherwise provided in this Consent Decree, in any dispute brought under Paragraph 64 pertaining to the adequacy of proposed measures to comply with the RRP Rule or any other items requiring approval by EPA under this Consent Decree; the adequacy of the performance of work undertaken pursuant to this Consent Decree; and all other disputes that are accorded review on the administrative record under applicable principles of administrative law, the Settling Accolade Parties shall have the burden of demonstrating, based on the administrative record, that the position of the United States is arbitrary and capricious or otherwise not in accordance with law.
- b. Other Disputes. Except as otherwise provided in this Consent Decree, in any other dispute brought under Paragraph 64, the Settling Accolade Parties shall bear the burden of demonstrating that its position complies with this Consent Decree and better further the objectives of the Consent Decree.

67. The invocation of dispute resolution procedures under this Section shall not, by itself, extend, postpone, or affect in any way any obligation of the Settling Accolade Parties under this Consent Decree, unless and until final resolution of the dispute so provides. Stipulated penalties with respect to the disputed matter shall continue to accrue from the first Day of noncompliance, but payment shall be stayed pending resolution of the dispute as provided in Paragraph 49. If the Settling Accolade Parties do not prevail on the disputed issue, stipulated penalties shall be assessed and paid as provided in Section X (Stipulated Penalties).

68. Nothing in this Section requires the United States to pursue Dispute Resolution before seeking or obtaining an order compelling compliance with the Consent Decree.

XIII. INFORMATION COLLECTION AND RETENTION

69. The United States and its representatives, including attorneys, contractors, and consultants, and any representative of the EPA, shall have the right of entry into any Covered Work Site or any location at which the Settling Accolade Parties are Performing Renovations or where Renovation records are kept, at all reasonable times, upon presentation of credentials, to:

- a. monitor the progress of activities required under this Consent Decree;
- b. verify any data or information submitted to the United States in accordance with the terms of this Consent Decree;
- c. obtain samples and, upon request, splits of any samples taken by the Settling Accolade Parties or its representatives, contractors, or consultants;
- d. conduct interviews, conduct inspections, obtain statements, obtain documentary evidence, including photographs and similar data; and
- e. assess the Settling Accolade Parties' compliance with this Consent Decree.

To the extent that such right of entry to a Covered Work Site requires approval by the owner(s) of the Covered Work Site, the Settling Accolade Parties shall take all reasonable steps to obtain such approval prior to commencement of the Renovation.

70. Until three years after the termination of this Consent Decree, the Settling Accolade Parties shall retain, and shall instruct its Contractors, Subcontractors, and agents to preserve, all non-identical copies of all documents, records, or other information (including documents, records, or other information in electronic form) in its or its Contractors', Subcontractors', or agents' possession or control, or that come into its or its Contractors', Subcontractors', or agents' possession or control, and that relate in any manner to the Settling Accolade Parties' performance of its obligations under this Consent Decree. This information-retention requirement shall apply regardless of any contrary corporate or institutional policies or procedures. At any time during this information-retention period, upon request by the United States, the Settling Accolade Parties shall provide copies of any documents, records, or other information required to be maintained under this Paragraph.

71. At the conclusion of the information-retention period provided in the preceding Paragraph, the Settling Accolade Parties shall notify the United States at least 90 Days prior to the destruction of any documents, records, or other information subject to the requirements of the preceding Paragraph and, upon request by the United States, the Settling Accolade Parties shall deliver any such documents, records, or other information to EPA. The Settling Accolade Parties may assert that certain documents, records, or other information is privileged under the attorney-client privilege or any other privilege recognized by federal law. If the Settling Accolade Parties assert such a privilege, they shall provide the following: (a) the title of the document, record, or information; (b) the date of the document, record, or information; (c) the

name and title of each author of the document, record, or information; (d) the name and title of each addressee and recipient; (e) a description of the subject of the document, record, or information; and (f) the privilege asserted by the Settling Accolade Parties. However, no documents, records, or other information created or generated pursuant to the requirements of this Consent Decree shall be withheld on grounds of privilege.

72. The Settling Accolade Parties may also assert that information required to be provided under this Section is protected as Confidential Business Information (“CBI”) under 15 U.S.C. § 2613. As to any information that the Settling Accolade Parties seek to protect as CBI, the Settling Accolade Parties shall follow the procedures set forth at 15 U.S.C. § 2613(c)(1) and 40 C.F.R. Part 2.

73. This Consent Decree in no way limits or affects any right of entry and inspection, or any right to obtain information, held by the United States (including EPA) pursuant to applicable federal laws, regulations, or permits, nor does it limit or affect any duty or obligation of the Settling Accolade Parties to maintain documents, records, or other information imposed by applicable federal or state laws, regulations, or permits.

XIV. COSTS

74. The Parties shall bear their own costs of this action, including attorneys’ fees, except that the United States shall be entitled to collect the costs (including attorneys’ fees) incurred in any action necessary to collect any portion of the disgorgement amount or any stipulated penalties due but not paid by the Settling Accolade Parties.

77. Notices sent by mail shall be sent by Certified Mail or by a courier service, and Parties shall retain proof of mailing.

78. Notices submitted pursuant to this Section shall be deemed submitted upon mailing, unless otherwise provided in this Consent Decree or by mutual agreement of the Parties in writing.

XVI. EFFECTIVE DATE

79. The Effective Date of this Consent Decree shall be the date upon which this Consent Decree is entered by the Court or a motion to enter the Consent Decree is granted, whichever occurs first, as recorded on the Court's docket, provided, however, that the Settling Accolade Parties hereby agree that they shall be bound to perform duties scheduled to occur prior to the Effective Date. In the event the United States withdraws or withholds consent to this Consent Decree before entry, or the Court declines to enter the Consent Decree, then the preceding requirement to perform duties scheduled to occur before the Effective Date shall terminate.

XVII. RETENTION OF JURISDICTION

80. The Court shall retain jurisdiction over this case until termination of this Consent Decree, for the purpose of resolving disputes arising under this Consent Decree or entering orders modifying this Consent Decree, pursuant to Sections XII and XVIII, or effectuating or enforcing compliance with the terms of this Decree.

XVIII. MODIFICATION

81. The terms of this Consent Decree, including any attached appendices, may be modified only by a subsequent written agreement signed by all the Parties. Where the modification constitutes a material change to this Decree, it shall be effective only upon approval by the Court.

82. Any disputes concerning modification of this Decree shall be resolved pursuant to Section XII (Dispute Resolution); provided, however, that, instead of the burden of proof provided by Paragraph 66, the Party seeking the modification bears the burden of demonstrating that it is entitled to the requested modification in accordance with Federal Rule of Civil Procedure 60(b).

XIX. TERMINATION

83. After the Settling Accolade Parties have maintained continuous satisfactory compliance with this Consent Decree for a period of five years, and have paid the disgorgement amount and any accrued stipulated penalties as required by this Consent Decree, the Settling Accolade Parties may serve upon the United States a Request for Termination, stating that the Settling Accolade Parties have satisfied those requirements, together with all necessary supporting documentation.

84. Following receipt by the United States of the Settling Accolade Parties' Request for Termination, the Parties shall confer informally concerning the Request and any disagreement that the Parties may have as to whether the Settling Accolade Parties have satisfactorily complied with the requirements for termination of this Consent Decree. If the United States agrees that the Consent Decree may be terminated, the Parties shall submit, for the Court's approval, a joint stipulation terminating the Consent Decree.

85. If the United States does not agree that the Decree may be terminated, the Settling Accolade Parties may invoke Dispute Resolution under Section XII. However, the Settling Accolade Parties shall not seek Dispute Resolution of any dispute regarding termination until 30 Days after service of its Request for Termination.

XX. PUBLIC PARTICIPATION

86. This Consent Decree shall be lodged with the Court for a period of not less than 30 Days for public notice and comment. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Consent Decree disclose facts or considerations indicating that the Consent Decree is inappropriate, improper, or inadequate. The Settling Accolade Parties consent to entry of this Consent Decree without further notice and agree not to withdraw from or oppose entry of this Consent Decree by the Court or to challenge any provision of the Decree, unless the United States has notified the Settling Accolade Parties in writing that it no longer supports entry of the Decree.

XXI. SIGNATORIES/SERVICE

87. Each undersigned representative of the Settling Accolade Parties and the Assistant Attorney General for the Environment and Natural Resources Division of the Department of Justice certifies that he or she is fully authorized to enter into the terms and

conditions of this Consent Decree and to execute and legally bind the Party he or she represents to this document.

88. This Consent Decree may be signed in counterparts, and its validity shall not be challenged on that basis. The Settling Accolade Parties agree to accept service of process by mail with respect to all matters arising under or relating to this Consent Decree and to waive the formal service requirements set forth in Rules 4 and 5 of the Federal Rules of Civil Procedure and any applicable Local Rules of this Court including, but not limited to, service of a summons.

XXII. INTEGRATION

89. This Consent Decree constitutes the final, complete, and exclusive agreement and understanding among the Parties with respect to the settlement embodied in the Decree and supersedes all prior agreements and understandings, whether oral or written, concerning the settlement embodied herein. The Parties acknowledge that there are no representations, agreements, or understandings relating to the settlement other than those expressly contained in this Consent Decree.

XXIII. FINAL JUDGMENT

90. Upon approval and entry of this Consent Decree by the Court, this Consent Decree shall constitute a final judgment of the Court as to the United States and the Settling Accolade Parties. The Court finds that there is no just reason for delay and therefore enters this judgment as a final judgment under Fed. R. Civ. P. 54 and 58.
