1The undersigned complainant, Katherine Murphy, being duly sworn, further2deposes and states as follows:

## **INTRODUCTION**

I am a Special Agent with the Federal Bureau of Investigation (FBI). As
 such, I am a "federal law enforcement officer" within the meaning of Federal Rule of
 Criminal Procedure 41(a)(2)(C), that is, a Government agent engaged in enforcing the
 criminal laws. I have been a Special Agent with the FBI for approximately two and a
 half years.

9 2. I am currently assigned to the Seattle Field Office where I am assigned to 10 investigate domestic terrorism matters. During my service with the FBI, I have 11 investigated and participated in the investigations of criminal activity, including but not 12 limited to: crimes against persons, crimes against property, and conspiracy against civil 13 rights. During these investigations, I have participated in the execution of search 14 warrants and the seizure of evidence indicating the presence of criminal violations. As an 15 FBI Agent, I have also conducted or participated in physical surveillance, debriefings of 16 informants, and reviews of records and recordings. From these experiences, and from 17 related training, I have become familiar with the ways in which persons coordinate, carry 18 out, and conceal criminal activity. Additionally, I have completed training in 19 investigating the use of computer systems and email in the commission of criminal 20 activity.

3. This affidavit is made based upon my personal knowledge, training,
experience and investigation, as well as upon information provided to me and my review
of reports prepared by other law enforcement personnel. This affidavit is made for the
purpose of establishing probable cause for this Complaint and thus does not include each
and every fact known to me concerning this investigation.

| 4        | On July 24, 2020, at 1:02 a.m., TrackIT Item 1859649 was submitted through the City of  |  |  |

| 6        | were tied to the user that submitted the item:  |  |  |

| 21       | 6. The message was sent during a period of reoccurring civil disorder in  |  |  |
| 22       | Portland.   |  |  |
| 23       | 7. Officers performed open source internet searches for the email address   |  |  |
| 24       | dark56korbit@yahoo.com. Officers discovered a Yahoo Answers thread that contained   |  |  |
| 25       | this email address, along with the name KYLE TORNOW. According to Yahoo records,  |  |  |
| 26       | this email address was created by KYLE TORNOW in Seattle, Washington, in June   |  |  |
| 27       | 2005. Yahoo records show that the account is linked to phone number 206-495-1966.   |  |  |
| 28       | According to Verizon Wireless records, the subscriber for this phone number is KYLE   |  |  |

TORNOW. In addition, according to LexisNexis database records, the phone number is
 associated with not only KYLE TORNOW, but also "Chester Wildwoo," a name similar
 to one used by the sender of the TrackIT message, "Chester Wildwood."

4 8. As stated above, the user associated with the TrackIT message listed a
5 phone number of 206-937-3963. According to CenturyLink records, this phone number
6 is subscribed to Robert Tornow, KYLE TORNOW's father.

7 9. The City of Portland's web server log related to the TrackIT submission 8 indicated the user's IP address was 75.172.138.139. Based on my training and 9 experience, I know that a server log is a log file automatically created and maintained by 10 a server consisting of a list of activities it performed. Subscriber records obtained from 11 CenturyLink show that the IP address was registered at the time of the TrackIT 12 submission to Robert Tornow at a West Seattle residence that Robert shares with KYLE 13 TORNOW. Based on these facts, I believe that the TrackIT item was submitted from an 14 electronic device while connected to internet service at the West Seattle residence.

15 10. KYLE TORNOW has had arrests for harassment, theft of a motor vehicle,
and drugs. I located a publicly viewable Facebook account for KYLE TORNOW. The
public version of his Facebook account contains the following post:
