## ATTACHMENT B

I, Matthew Maltese, am a Criminal Investigator with the United States Attorney's Office. I am fully familiar with the facts set forth herein based on my own investigation, my conversations with other law enforcement officers, and my review of reports, documents, and items of evidence. Where statements of others are related herein, they are related in substance and part. Since this complaint is being submitted for a limited purpose, I have not set forth each and every fact that I know concerning this investigation. Where I assert that an event took place on a particular date, I am asserting that it took place on or about the date alleged.

1. On or about November 8, 2012, at or around 10:30 p.m., Victim 1 drove up to his/her parking garage, in Newark, in his/her vehicle, a silver 2006 Chevrolet Impala. As Victim 1 exited the vehicle to open the garage door, an individual wearing dark clothing approached the driver's side of the vehicle. Victim 1 pleaded with the individual not to take his/her car, to which the individual threatened that he had a gun. Victim 1 then observed the individual brandish a shiny, silver object. As the individual entered the driver's side door, a second individual, later identified as defendant NATHANIEL TULLIES, entered the vehicle through the passenger's side door. Defendant NATHANIEL TULLIES and the driver quickly exited the driveway in the vehicle. Victim 1 immediately called police, who responded to the location within minutes.

2. A few minutes later, a Newark Police detective was on patrol in the vicinity of Ferry Street in Newark, when he received a radio transmittal regarding the carjacking of Victim 1's vehicle. The detective then observed a silver 2006 Chevrolet Impala, which was later determined to be Victim 1's carjacked vehicle, traveling east on Ferry Street. The detective pursued the Chevrolet Impala and activated the lights and sirens of his police vehicle, but the driver of the Impala proceeded to elude the detective by traveling east on Route 1/9 at a high rate of speed. After a high-speed chase, the driver of the Impala lost control and crashed the vehicle on the shoulder of Route 1/9. The two occupants exited the vehicle and attempted to flee on foot. The detective briefly chased and then captured defendant NATHANIEL TULLIES, who had exited the passenger's side of the vehicle.

3. A silver handgun, loaded with six (6) rounds of ammunition, was recovered from the floor of the passenger's side of Victim 1's vehicle.

4. Victim 1's 2006 Chevrolet Impala was not manufactured in the State of New Jersey.
