1. Will the Guidelines apply:

a) only "when USTP attorneys review applications for compensation filed by attorneys employed under sections 327 or 1103 of the United States

Bankruptcy Code (the "Code") in chapter 11 cases where the debtor's scheduled assets and liabilities combined exceed \$50 Million

(aggregated for jointly administered cases)" (as indicated in paragraph 2

of Section A. General Information, on the 1st page);

or,

b) will they apply in all cases (as indicated in paragraph 7, on the 2nd page of the same section,...."The United States Trustees shall use

these Guidelines in all cases filed on or after [effective date].")?

2. If the Guidelines will apply only in those cases with more than \$50 million in combined assets, what Guidelines will be used in all of the other cases? Will the 1996 Guidelines continue to be used in other cases?
