The enforcement statistics provided for FY 2020, which track the USTP’s standardized activity definitions, differ from earlier reporting data in two ways. First, the standardized definitions now capture a broader scope of enforcement activity. Because informal actions need only raise a specific issue in a specific case that requires a response, the updated definition may include factual inquiries that lead to a determination that no formal action is warranted. Second, FY 2020 statistics measure enforcement activity from the date that an action occurs. Earlier statistics measured activities from the date of discovery of unlawful activity.
